2018 Annual Report

This annual report provides an overview of Bowls Queensland's activities, achievements and financial performance for the 2018 calendar year. Bowls Queensland's performance is reported within the framework of the 2015-2018 Strategic Plan.

This report contains information beyond Bowls Queensland's reporting requirements to provide readily accessible reference of the state body's work on matters that are of interest to the bowling community.

The Board would like to thank those committees who have contributed to the 2018 Annual Report.

President's Report

Visits to districts and clubs by all board members have opened up avenues of good fellowship that seems to be the patient right of bowlers.

Throughout the year, I have endeavoured to maintain the right ideals of bowling goodwill with all in Queensland.

Travelling to several districts and clubs during the year where open forums were, I believe, most informative to all who attended and gave BQ an insight to what is expected for the state to go forward. A highlight of the year was for the board to visit clubs holding anniversaries including one of one-hundred-and-twenty-five years (Doon Villa in Maryborough).

Drought has been a problem for many clubs followed by severe flooding in some areas. BQ disaster funding is being used for all clubs that have a need, together with State and Federal funding, for assistance in the re-establishment of affected clubs.

Our state teams met with mixed success during the past year by winning the Australian Under-18 Girls, the Men's team that won the QLD vs NSW test series and the Australian Senior sides QLD Men as a runner-up.

The introduction of a North vs South series was a huge success, with the inaugural series played in Townsville, and should go on to become an annual event in the northern region of the state.

Bowls Queensland acknowledges the State Government funding allocation, the support of Minister Mr Mick de Brenni and his department, Sport and Recreation.

The board also acknowledges the sponsors of our various events, without whom it would be difficult to continue the number of events open to the bowls community throughout the state.

I wish to personally thank our staff, all who have allowed the board to function as a unit this past year, it is believed the incoming board will have an excellent footing to enhance the sport in the forthcoming year.

Peter Williamson
President

CEO's Report

Another year has passed at Bowls QLD and since retiring from the Australian Squad I am getting deeper into my role. I am extremely passionate about our game and look forward to continuing to promote, nurture and develop our great game. We are faced with many challenges in our sport and I am enjoying working with the board, staff and stakeholders to administer the game in QLD.

As you know, our sport does not function without the selfless work of our volunteers and I would like to take the opportunity to thank President Peter Williamson and the Bowls QLD Board for their commitment, leadership and vision. Thank you to all of the hard-working members of BQ committees: Match, Umpires, Coaching, Selection, Constitution-Disputes & Disciplinary and Audit & Risk, Bowls QLD could not operate without their tireless efforts.

Thank you to our Bowls QLD Staff: Stuart Taylor – Finance Manager; Roxanne Bell – Operations Coordinator/Events; Cath Crowe – Operations Administrator and Michelle Baguley – Membership (part time) for their hard work and dedication. Thank you to Jo Grey and Cornerstone Communications for looking after the QLD Bowler magazine and our media.

Our three Bowls Australia Regional Bowls Managers (RBMs) have been busy travelling our State throughout the year: Micheal Sorrensen in South East QLD, Wade Mutzelburg in Central QLD and Lesley Bates in North QLD. Bowls QLD contributes to the RBM Program and works together with our three RBMs. I encourage all clubs and districts to use the services of our RBMs who are keen to assist where they can.

I'd like to extend appreciation to the State Government who continue to assist Bowls Queensland through the State Development Program 2017–2019.

Thank you to our Commercial Partners who support Bowls in QLD: Henselite, BCiB, Club Super, Mullins Lawyers and Nundah Mitsubishi. These partnerships remain strong which is great for our sport.

Congratulations to all bowlers who were selected to represent Queensland throughout the past year in U18, U25, O60, open and disability events, also to those who were successful in winning medals or shields while representing.

Well done to all winners of Bowls QLD state events, including the Domina BCiB District Sides, State Championships, Junior State Championships, Champion of Club Champions (State & National), State Pennant, State District Mixed Pairs and Qualifiers into the Australian Indoor Singles. These events are always hard to win and create a memory that will last these players for life. Most of all, thank you and well done to all who participated in these events.

Queensland performed well again at the Australian Championships at Merimbula in NSW. Well done to the Queenslanders who were successful in winning gold. Winners from the 2019 State Championships will also travel to Merimbula for the National event in November.

The State Multi Disability Championships went well again this year bringing together the various disability groups. The comradeship of these championships is amazing, well done to all involved in participating and to those who took home medals. Thank you to Chermshire Bowls Club for hosting and the Brisbane City Council for sponsoring this event.

QLD has been well represented in the Australian Jackaroos Squad with the following players involved - Lynsey Clarke, Chloe Stewart, Bolivia Millerick, Nathan Rice, Aron Sherriff and I.

We are privileged in QLD that many of our clubs will host some major events in the coming years including: 2019 Australian Indoor Championships at Tweed Heads, 2019 Asia Pacific Games on the Gold

Coast and the 2020 World Bowls Championships at Club Helensvale, Musgrave Hill and Broadbeach. The Australian Open will also be on the Gold Coast until at least 2020 while the BPL will be at Club Pine Rivers in November, 2019. It's an exciting time for bowls in QLD along with the many state events to support.

After producing a TV Commercial in 2017, we decided to try radio advertising in 2018 to help promote our come and try month. The Secondary Schools Cup was well supported by teams from various parts of QLD.

We introduced live streaming for some of our events this year and will be looking to stream more Bowls QLD events into the future. The addition of the North versus South competition was well received and will be held again in 2019. Thank you to North QLD District and Suburban Bowls Club in Townsville for their assistance with this event.

Together with the Bowls QLD Board, Staff and RBMs, we will be looking to grow our sport into the future. To be successful, the whole bowling community needs to play a part in promoting our game to family and friends and volunteering their time where possible to either spread the word or assist in your local club, district or with events.

I look forward to another busy and productive year in the role of CEO working with all stakeholders and getting out in the QLD bowling community.

Brett Wilkie

Steadfast
STRENGTH WHEN YOU NEED IT

Director of Finance Report

I have pleasure in once again presenting the financial report, this time for the year 2018.

Bowls Queensland through prudent management was able to return a surplus of \$267,473 for the year ending December, 31 2018. This result was achieved without compromising any of its programs.

With regards to our subsidiary company, Club Services Pty Ltd this company was wound up during the year. The Board decided that there was no longer a need for this investment vehicle.

As a result of Bowls Queensland's strong financial position, it was able to substantially lift the amount of the subsidy paid to districts to attend various state events. Small increases in prize money were also given during the year. Bowls Queensland hopes to build on this in future years.

Many parts of Queensland were in severe drought during 2018. Bowls Queensland made a donation of \$10,000 on behalf of all clubs.

Bowls Queensland continued to invest in its information technology systems during the year. A new registration system has been developed and work

is nearly complete on an events program. Rollout of the registrations system occurred during the year and minor changes and enhancements continue to be made based on user feedback. These initiatives will have great benefits for both Bowls Queensland and the clubs.

Revenue and expenses were generally in line with budgeted predictions. During the year a casual employee was engaged to assist mainly in registration processing and to help other staff when needed.

Advertising revenue from the Bowler magazine was up substantially from the previous year. This can be directly attributed to the new arrangements that were put in place the previous year. The magazine continues to be enjoyed by the bowling community.

My thanks to all staff members at Bowls Queensland with particular mention to Stu Taylor, the Finance Manager.

Best wishes to all board and committee members and the many volunteers who devote a lot of their time to this sport.

Greg Flynn
Director of Finance

Australian Open Vision Impaired Singles
Gold winners Grant and Jake Fehlberg

Bowls Queensland Limited & Controlled Entity

Director's Report

31 December 2018

The directors present their report, together with the financial statements of the entity, being the Company and its controlled entities, for the financial year ended 31 December 2018.

1. General information

Principal activities

The principal activities of the entity during the financial year was the encouragement, conduct, control and management of the sport of Bowls in Queensland.

No significant change in the nature of these activities occurred during the year.

Short term objectives

The Entity's short term objectives are to:

- Provide goods management and governance of the sport of bowls.
- Encourage the growth in membership and participation in the sport of bowls in Queensland.

Long term objectives

The Entity's long term objectives are to:

- To build a sustainable future for the bowls Community.
- To widen the appeal of the sport of Bowls and increase the awareness of the benefits of being "The Sport for Life".
- To develop plans and strategies to assist the commercial viability of QLD Clubs, for their Districts and members.

Strategy for achieving the objectives

To achieve these objectives, the entity has adopted the following strategic plan to assist the company reach its long and short term objectives:

- The company adopts six pronged approach: involving specific strategies that encourage participation, the maintenance of high performance standards, the organisation of community and competition events, commercial development through marketing, offering strong leadership & governance and encouraging open transparent communication. The company also establishes and fosters working relationships with a range of community districts, bowls clubs and members. By actively encouraging involvement in the entities activities, the company will be able to achieve this:
 - Short-term objectives of providing good governance, management and enticing new memberships; and
 - Long-term objectives of building a sustainable future for the sport of bowls and its clubs in Queensland.

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

The financial report covers Bowls Queensland Limited & Controlled Entity ('the entity'). Bowls Queensland Limited & Controlled Entity is a non-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the Directors opinion, the Company is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. This special purpose financial report has been prepared to meet the reporting requirements of the *Corporations Act 2001*. The company is a non-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards applicable to entities reporting under the *Corporations Act 2001* and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The amounts presented in the financial statements have been rounded to the nearest dollar.

Summary of Significant Accounting Policies

1 Basis for consolidation

The consolidated financial statements include the financial position and performance of controlled entities from the date on which control is obtained until the date that control is lost.

Intragroup assets, liabilities, equity, income, expenses and cashflows relating to transactions between entities in the consolidated entity have been eliminated in full for the purpose of these financial statements.

Appropriate adjustments have been made to a controlled entity's financial position, performance and cash flows where the accounting policies used by that entity were different from those adopted by the consolidated entity. All controlled entities have a June financial year end.

A list of controlled entities is contained in Note 26 to the financial statements.

2 Income Tax

The Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

3 Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

Summary of Significant Accounting Policies (continued)

3 Revenue and other income (continued)

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Grant revenue

Grant revenue is recognised in the statement of profit or loss and other comprehensive income when the entity obtains control of the grant, it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Bowls Queensland Limited & Controlled Entity receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of profit or loss and other comprehensive income.

Interest revenue

Interest is recognised using the effective interest method.

Donations and bequests are recognised as revenue when received.

Subscriptions

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

Other income

Other income is recognised on an accruals basis when the entity is entitled to it.

4 Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

Summary of Significant Accounting Policies (continued)

5 Inventories

Inventories are measured at the lower of cost and net realisable value.

6 Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Land and buildings

Land and buildings are measured using the revaluation model.

Plant and equipment

Plant and equipment are measured using the revaluation model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the entity, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	7.5% prime cost - 40% diminishing value
Plant and Equipment	2.5% - 7.5% prime cost

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

7 Financial instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that the entity becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial Assets

Financial assets are divided into the following categories which are described in detail below:

- loans and receivables;
- financial assets at fair value through profit or loss;

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

Summary of Significant Accounting Policies (continued)

7 Financial instruments (continued)

- available-for-sale financial assets; and
- held-to-maturity investments.

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument's category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or in other comprehensive income.

All income and expenses relating to financial assets are recognised in the statement of profit or loss and other comprehensive income in the 'finance income' or 'finance costs' line item respectively.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The Entity's trade and other receivables fall into this category of financial instruments.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

In some circumstances, the entity renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the entity does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets:

- acquired principally for the purpose of selling in the near future
- designated by the entity to be carried at fair value through profit or loss upon initial recognition or
- which are derivatives not qualifying for hedge accounting.

The Entity has some derivatives which are designated as financial assets at fair value through profit or loss.

Assets included within this category are carried in the statement of financial position at fair value with changes in fair value recognised in finance income or expenses in profit or loss.

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

Summary of Significant Accounting Policies (continued)

7 Financial instruments (continued)

Any gain or loss arising from derivative financial instruments is based on changes in fair value, which is determined by direct reference to active market transactions or using a valuation technique where no active market exists.

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity. Investments are classified as held-to-maturity if it is the intention of the entity's management to hold them until maturity.

Held-to-maturity investments are subsequently measured at amortised cost using the effective interest method, with revenue recognised on an effective yield basis. In addition, if there is objective evidence that the investment has been impaired, the financial asset is measured at the present value of estimated cash flows. Any changes to the carrying amount of the investment are recognised in profit or loss.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets or which have been designated in this category. The Entity's available-for-sale financial assets comprise listed securities.

The investment in [enter investment name] is reported at cost less any impairment charges, as its fair value cannot currently be reliably estimated.

All available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss.

Losses recognised in the prior period consolidated statement of profit or loss and other comprehensive income resulting from the impairment of debt securities are reversed through the statement of profit or loss and other comprehensive income, if the subsequent increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss.

Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities depending on the purpose for which the liability was acquired. Although the entity uses derivative financial instruments in economic hedges of currency and interest rate risk, it does not hedge account for these transactions.

The Entity's financial liabilities include borrowings, trade and other payables (including finance lease liabilities), which are measured at amortised cost using the effective interest rate method.

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

Summary of Significant Accounting Policies (continued)

7 Financial instruments (continued)

Impairment of financial assets

At the end of the reporting period the entity assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

Financial assets at amortised cost

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial assets original effective interest rate.

Impairment on loans and receivables is reduced through the use of an allowance accounts, all other impairment losses on financial assets at amortised cost are taken directly to the asset.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

8 Impairment of assets

At the end of each reporting period the entity determines whether there is an evidence of an impairment indicator for tangible and intangible assets. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit and loss.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

9 Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of financial position.

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

Summary of Significant Accounting Policies (continued)

10 Employee benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the statement of financial position if the Entity does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119.

11 Adoption of new and revised accounting standards

The company has not elected to early adopt any new standards or interpretations that are issued but not yet effective. The company has assessed the new standards and interpretations that have recently been issued or amended but are not yet effective will not have a material impact on the presentation of the financial statements. During the current year, the following standards became mandatory and have been adopted retrospectively by the entity:

- AASB 2015-3 Amendments to Australian Accounting Standards - Withdrawal of AASB 1031 Materiality.
- AASB 2016-6 Amendments to Australian Accounting Standards – Applying AASB 9 Financial Instruments with AASB 4 Insurance Contracts.

The accounting policies have been updated to reflect changes in the recognition and measurement of assets, liabilities, income and expenses and the impact of adoption of these standards is discussed on the following page.

AASB 1031 Materiality is an interim standard that cross-references to other Standards and the Framework for the Preparation and Presentation of Financial Statements (issued December 2013) that contain guidance on materiality. The AASB is progressively removing references to AASB 1031 in all Standards and Interpretations. The adoption of this standard had no material impact on the reported financial position or performance.

AASB 9 Financial Instruments with AASB 4 Insurance Contracts amendments address concerns arising from implementing the new financial instruments standard, AASB 9, before implementing AASB 17 Insurance Contracts, which replaces AASB 4. The amendments introduce two options for entities issuing insurance contracts: a temporary exemption from applying IFRS 9 and an overlay approach. The adoption of this standard had no material impact on the reported financial position or performance.

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

Summary of Significant Accounting Policies (continued)

12 New Accounting Standards and Interpretations

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The Entity has decided not to early adopt these Standards. The following table summarises those future requirements, and their impact on the entity where the standard is relevant:

Standard Name	Effective date for entity	Requirements	Impact
AASB 16: Finance leases	01 January 2020	Significant revisions to accounting for operational leases on balance sheet by Lessees of property and high value equipment. However, exemptions for short-term leases and leases of low value assets will reduce the impact.	The entity has not as yet determined the magnitude of any changes which may be needed.
AASB 15 Revenue from Contracts from Customers	01 January 2019	This standard provides guidance on the recognition of revenue from customers.	The entity has not yet determined the magnitude of any changes which may be needed.
AASB 1058 Income of Not-for-Profit Entities	01 January 2019	AASB 1058 replaces the income recognition requirements relating to private sector not-for-profit (NFP) entities, as well as the majority of income recognition requirements relating to public sector NFP entities previously reflected in AASB 1004 Contributions.	The entity has not yet determined the magnitude of any changes which may be needed.

13 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - Impairment

The Entity assesses impairment at the end of each reporting period by evaluating conditions specific to the entity that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Bowls Queensland Limited & Controlled Entity

Notes to the Financial Statements

For the Year Ended 31 December 2018

13 Critical Accounting Estimates and Judgments (continued)

Key estimates - Provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

14 Revenue and Other Income

Revenue from continuing operations

	2018	2017

On the 22 September 2009, the company acquired the assets and liabilities of the Coorparoo Bowls Club for the nominal consideration on \$1. At that time, the company commissioned Early Group Valuers to undertake a valuation of the property in order to reflect the value in the books of the company. That valuation estimated the property to be worth \$3 million.

As a result, the company recorded a revenue gain of \$3 million in the 2009 financial year. This is reflected in the retained earnings of the company.

In accordance with the Australian Accounting Standard, the company has commissioned a valuation by Trivett Property Group as at 15 February 2019. That valuation has estimated the property to be worth \$1.9 million. This valuation was based on the property remaining a bowls club and does not reflect the possible value should the property be rezoned for either commercial or residential development.

Directors' Declaration

The directors have determined that the Company is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note to the financial statements.

The directors of the Company declare that:

1. The financial statements and notes, as set out on pages 6 to 22, are in accordance with the *Corporations Act 2001* and:
 - (a) comply with Accounting Standards as stated in Note 1; and
 - (b) give a true and fair view of the Company's financial position as at 31 December 2018 and of its performance for the year ended on that date of is in accordance with the accounting policies described in Note of the financial statements.
2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a special purpose financial report of Bowls Queensland Limited (the Company) and its controlled entity (together "the entity"), which comprises the statement of financial position as at 31 December 2018, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the entity is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the entity's financial position as at 31 December 2018 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the entity in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

LIABILITY LIMITED BY A SCHEME APPROVED UNDER PROFESSIONAL STANDARDS LEGISLATION

Bowls Queensland Limited & Controlled Entity

Independent Audit Report to the members of Bowls Queensland Limited & Controlled Entity

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue

Bowls Queensland Limited & Controlled Entity

Independent Audit Report to the members of Bowls Queensland Limited & Controlled Entity

as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

In 2018, approximately 136 members became accredited coaches and over 70 members reaccruited as club or introductory coaches. This was great to see, as coaches are an integral component of any successful and professional bowling club.

The table above indicates, as was the case last year, just how popular the skills programs are and it also shows the large number of requests for bowling arm seminars. The State Coaching Committee have included a section on the bowling arm into the Club Coach Course from which students have benefitted. All accredited coaches must, in their own time, learn how to coach bowlers in the art of using a bowling arm as the demand for its use increases as the population ages.

During the year, the coaching committee worked with some of the members who had, in the past 18 months, been accredited as presenters and assessors and in general they are performing well. It has become obvious to the coaching committee, as mentioned in last year's report, that some districts will struggle to find suitable people to take on this task and those areas will always have the support and assistance of Bowls Queensland and coaching committee for all coaching matters.

The coming year looks very busy with a number of districts already been visited so far, and the requests keep coming in, which displays a healthy position for coaching in Queensland. This position I contribute to the hard working members of the State Coaching Committee and Sub Committee (and I thank them all for their dedication, time and high standards). The State Coaching Committee would be unable to perform any of their roles if it was not for the tremendous support and encouragement given by the Board of Management and the staff of Bowls Queensland. As the coordinator, I thank all of them very much with special thanks to Cath, Roxanne and Stu who look after all our admin requirements and to Brett and President Peter who I speak with on many occasions about bowling issues.

In closing I have not forgotten our liaison officer to the board Carmel Gibb (Gibby) - thanks for all your help and advice during the year and to the editor of the Bowler Jo - terrific. Finally the committee is looking forward to providing our coaching services to members throughout Queensland in 2019.

Umpire Committee's Report

First of all, I would like to thank the Umpire Committee, Joan Brotherton and Jess Cannon for their continued support and assistance. I would also like to thank BQ Board Member, Colleen Ryan, who has attended and participated in the majority of meetings.

A reminder for all districts and clubs, that the Umpire's Committee comprises myself, Joan Brotherton and Jess Cannon. Colleen Ryan, BQ Board Member, sits on the committee as the BQ Board Representative. Joan writes an article each month in the Bowler magazine and receives positive feedback wherever she attends various events.

I am often asked why umpires require a Blue Card under the Working with Children provisions. As umpires hold a voluntary provision there is no cost for a Blue Card. A point to remember is that on the top right corner, there is a small section advising the validity date of the current form. This date is usually June 30 in whatever year. This form takes approximately 15 minutes to complete and to receive the voluntary provisions your club secretary must complete the relevant section. BQ will not approve any player for an umpire's position who does not hold a current Blue Card. The relevant policy can be found on the BQ website.

Over recent years, there have been a number of changes relating to bowlers arms which are found under the Artificial Device Policy of Bowls Australia. This policy is currently under review and there could be changes ahead, so we recommend that everybody keeps an eye on this policy as it may affect the use of the bowlers' arms.

When attending various events, I am often 'reminded' of the BQ policy relating to hot weather. Some people demand that play ceases when the temperature reaches a set point. A reminder for all is that the policy is a recommendation only. The reason for this is that we cannot effectively have a policy for the whole of

Queensland. If play were to always stop at 38 degrees, players in country areas would be severely hampered when playing during the summer months.

World Bowls recently approved certain provisions relating to distinguishing marks on bowls and the size of bowls. These appear to relate to Laws D2, 52 and 53. A copy of the amendments to both Version 3.1 and a document containing the Revisions can be downloaded from the 'Laws of the Sport' section under the 'Laws & Umpiring Link' on the WB (World Bowls) website. From what I can see these changes do not affect the playing of the game, however relate to administrative matters.

Match Committee's Report

At the end of the year we cast an eye over our events of the year past and we also try to look ahead at what 2019 may bring.

The bowls year started as usual with the State Junior's event held at Burnett and Across the Waves Bowls Clubs in the Bundaberg District. This was the first time we held the event in January and it seemed to go off quite well. These two clubs ran everything smoothly and all the players and officials were impressed with the organisation and the standard of both the clubs and greens. The competition was fierce among the players during events but the camaraderie after the games was excellent. Congratulations to all the winners in all disciplines and we look forward to seeing you at Caloundra and Pelican Waters Bowls Clubs in 2019. We are planning on going back to the end of January with this event in 2020.

The District Sides were held on the Sunshine Coast with the men at Coolum Beach and Mooloolaba in the 12 districts section and Tewantin Noosa hosting the men in the 10 districts section. Unfortunately, using two clubs such a fair distance apart and with one of the clubs having a carpet surface, it made for some difficulties with the draw and with travel. We thank all the clubs who participated and made it a success in spite of the difficulties presented.

The women were at Caloundra and Club Maroochy and those clubs looked after our Ladies' Districts admirably and we thank them for their assistance in running our events. As you are aware, we will be on the central and north end of the Gold Coast in 2019 and I'm sure that the host clubs there will also do an excellent job of hosting the District Sides.

The State Championships were also held on the Sunshine Coast and following on from previous years, we held all our finals at one club and the players were happy with this arrangement. All of the host clubs went out of their way to assist us. I'd like to give a special thanks to them and an especially big thank you to all the volunteers as we could not run our events without you.

The Mixed Pairs were very well supported again as part of our State Championships with numbers up from last year.

The Indoor qualifying rounds were held in April and May at Paradise Point and Tweed Heads Bowls Clubs and were run with the usual expertise we get from these clubs. Tweed Heads hosted the finals in August and the event ran with the professionalism we have come to expect from this club. The women's numbers were down on previous years, but we hope that the entries will return to near previous levels for 2019.

This year, the Match Committee was involved with the Multi Disability Championships and I must congratulate all the players for their sportsmanship, their courtesy to each other and their will to succeed at their sport. It was unbelievable to watch and I'm sure an inspiration to all the spectators who were there. Congratulations to all involved.

The District Mixed Pairs finals were played at Souths Suburban, Mackay again and it was run in a manner that one could expect from a very good club running a Bowls Queensland event. We were made very welcome and it was a pleasure to be able to take such an event to a country club. I hope we will be able to go to more regional clubs in the future. We would ask more regional clubs to lodge expressions of interest for this event as it is an easy event to take around the state.

The State Champion of Club Champions was played at Club Helensvale and it was run in a highly professional manner. We thank them for the work put in by all to make it a highly successful event.

Our final event of the year was the State Pennant Finals at Tweed Heads Bowls Club and the club excelled itself in hosting our event. The finals were a joy to watch and the final result was not known until almost the last bowl was played. Congratulations to all the players for a great spectacle.

We find at times that clubs and districts are not fully cognisant with the Conditions of Play for state events and we suggest that all club and district officials make themselves familiar with these conditions.

We have discussed at length the proposal for State-wide Pennant Divisions 2 & 3 and we are of the opinion that unless it was across the state then it wasn't a viable proposal. However, what concerns the match committee the most is that some clubs and districts will go to a lower Pennant division, thus diminishing our Division 1 event. This something that all concerned need to keep firmly in their minds when discussing this proposal.

Congratulations go of course to all prize winners for the 2018 season and congratulations also to all the players in our State events, without you all we wouldn't have any events at all. I do hope that you enjoyed yourselves and look forward to seeing you all again in 2019.

Finally, we wish to thank everyone for their support throughout the year, our families, our committees and all at Bowls Queensland. Also we wish to thank all the clubs who hosted our events and who always went out of their way to make us very welcome.

Special thanks to Helen, Jimmy, John, Denis and Linda for their work throughout the year.

Selection Committee's Report

Queensland has performed very well this year. Trial games have proven to be worthwhile for players to prepare together in the lead up to these events.

January

U18 State Junior Championships were held in Bundaberg. At the end of six days of competition, a squad of seven girls and seven boys were named. Three selectors attended the event.

February

QLD v NSW Test, Raymond Terrace. The open side (women and men) and the U25 team travelled to NSW. Unfortunately, the open men's team were defeated by NSW two tests to one, the open women gave a good fight to NSW and fell short two tests to one (only losing by four shots in two tests), the U25 women lost 3-0, however the U25 men defeated NSW 2-1 and took out gold.

April

The open team (women and men) had a trial game at Pine Rivers Bowls Club in preparation for the Australian Sides Championship in Darwin. This was a great opportunity for all the players to get together prior to any championships.

May

Australian Sides Championships- Darwin. Under some tough conditions in Darwin and some very close games, the women were unlucky to lose against NT by one shot as this would have put them as runners up. The men narrowly lost against VIC 60-6. If QLD had won this game, they would have taken out the overall Gold position in these championships.

9th-12th District Sides Championships- Sunshine Coast.

three selectors spread themselves over many clubs during the four days of competition. It was great to speak to many representatives from across our state.

State Championships- Sunshine Coast, The most pleasing aspect of this tournament was to see a variety of districts to compete in these championships. Christine Pavlov and myself visited many clubs over the course of this event.

June

Under 18 practice Capalaba Bowls Club

The team had a great session at Capalaba prior to playing NSW. It gave the new debutantes a chance to meet each other to bond with their team mates.

July

Under 18 Test QLD v NSW, Capalaba Bowls Club

With 6 debutantes in the sides, QLD did very well in this series. The girls did very well, they drew the first test, won the 2nd test and drew the third test. The boys narrowly lost by one shot in two games in the first test, they won the second test and unfortunately lost the third. Although NSW claimed the series in the boys and girls, this was a great effort by QLD and gave the players great experience leading into the Nationals in October.

Meeting

The new selection panel of Ron Mitchell, Christine Pavlov, Neville Jenkins, Maria Rigby and Greg Bostock, meet at BQ for the first time to select the Under 18 players for the Nationals and the Senior Sides to play at South Australia.

August

Secondary School Cup, Pine Rivers Bowls Club

As we are constantly looking for juniors to promote our sport, I visited Pine Rivers Bowls Club and saw some talented juniors on display. Congratulations to Pine Rivers in hosting the event.

September

Under 18 Practice, Capalaba Bowls Club

The Under 18 team met at Capalaba Bowls Club in preparation to the Under 18 Nationals in October.

October

Australian Under 18 Championships, Capalaba Bowls Club

This was a good result for QLD, The girls took out the best performed State and the boys finished with a respectable third. The boys only needed to win one more game and this would have given QLD the overall champions trophy. In two disciplines, the QLD boys only lost by two shots to play off for gold. Both Christina's and my own expectations were far exceeded with the girls' performance in this series and I have been contacted and advised that two more girls, one from NT and one from VIC will be eligible to play for QLD next year. This will give us a very good team in 2019.

Australian Senior Sides, South Australia

This was also a good series for QLD. The men finished as runners up, only to be denied in getting gold by the loss on one rink. There were six debutantes in the men's side, which was a great result. The women while finishing fifth, only lost the game against SA by two shots. If they had beaten them, we would have seen the women finishing with the runners up and giving QLD the best overall champions trophy. With some fine tuning, we feel we will have a very good side next year competition.

November

North v South Challenge

As this was the inaugural North v South Challenge it was a great opportunity to showcase many players from all regions throughout the state. All the players were extremely grateful for the opportunity and all the players thought it was a fantastic event. All five selectors attended the event and witnessed some very close games. All the selectors were asked to submit a report on each player to evaluate them for consideration for future selection. One player from the North certainly attracted the selectors' attention and it was on the last day that I had a one-on-one meeting with him. I asked Colin Kelly if he was available for selection and unfortunately Colin advised me that due to family commitments and his work that he didn't want to make himself available. All the selectors were disappointed as they all felt Colin would be a great addition to our State team. As we believe this was a great opportunity for all the selectors to see a wide range of players from across the state, we certainly would welcome this as an annual event in the future

State Pennant Finals

The state pennant finals were held at Tweed Heads Bowls Club and three selectors attended the event. The finals saw Helensvale and Enoggera (women and men) play off and Helensvale won both events.

The selection panel remains focused on building on our 2018 successes. I'd like to take this opportunity to thank all the selection panel for their contribution and look forward to achieving some great results in the 2018 season. I'd like to extend special thanks to our board, our CEO Brett Wilkie and the staff at Bowls Queensland for their continued support.

Constitution, Disputes and Discipline Committee's Report

During the year the committee reviewed some club and district constitutions and the Bowls Queensland By-Laws.

The updating of the Member Protection Policy was completed to the satisfaction of the BQ Board. It is envisaged that this document could be of assistance to clubs and districts if circumstances arise concerning unforeseen problems which could lead to litigation.

Our project for 2019 is to update and amend the District/Club administration document. This document will be of value to Districts/Clubs as a form of guidance to new Management Committee appointees.

My thanks to committee members Pam Van Homrigh and Brian Stewart for their contribution and to President Peter, board members and staff for their willingness to assist when called upon
