Re: Notification of Suspension or Expulsion

Ref: 17/007

Following acceptance of the Bowls Queensland Constitution and by-Laws there have been changes in respect of suspensions and expulsions.

Club Suspension or Expulsion

A club may only suspend or expel a member from their club. Club Secretaries are to ensure the Club Notification of Suspension or Expulsion is fully completed and a copy forwarded to Bowls Queensland and also the Secretary of the District in which the club is a member.

Bowls Queensland will update the database in respect of the person who is suspended or expelled. The club must advise Bowls Queensland on a Form 2 when the said person is reinstated. A club cannot suspend or expel a person from any other club.

Licensed premises may exclude any person under provisions of the Licensing Act.

District Suspension or Expulsion

A District may suspend or expel a member from clubs in their district only. District Secretaries please ensure that District Notification of Suspension or Expulsion is fully completed and a copy forwarded to Bowls Queensland and also advise clubs in their own district. Bowls Queensland will update the database in respect of the person who is suspended or expelled. The district must advise Bowls Queensland when the said person is reinstated.

A district cannot suspend or expel a person from any club other than those in their own district.

Bowls Queensland Suspension or Expulsion

Should Bowls Queensland suspend or expel a player this would prohibit the player from playing bowls at any club which is affiliated with Bowls Queensland. Bowls Queensland will notify all Districts. It is the responsibility of District Secretaries to advise clubs in their district. Bowls Queensland will notify Districts when the player is reinstated.

While a player is under suspension or expulsion if they ask for an interclub clearance one may be issued by the Club Secretary. However, this clearance must state if the player is under suspension or expulsion.

Please place the enclosed in the Forms Section of the District/Club Administration Manual.
