

# Memo

**To: District/Club Secretaries**  
**From: Brett Wilkie - CEO**  
**Date: Friday 13<sup>th</sup> March 2020**  
**Re: Coronavirus (COVID-19)**

**Ref: 20005**

Coronavirus (COVID-19) is increasingly having an impact on the global community and is a rapidly evolving issue.

Bowls Queensland is continually monitoring the status of COVID-19 and will act in accordance with the guidelines from the World Health Organisation (WHO), the Australian Federal Government and the Queensland Government.

Government organisations, public health units and the World Health Organisation (WHO) continue to provide accurate, timely and detailed updates relevant to the whole community.

At this stage, both the 2020 QLD State District Sides and State Championships will go ahead as planned.

Bowls QLD will continue to monitor the situation closely and provide regular updates over the coming weeks.
