Re: COVID-19 Impact on Competition and Roll Ups

Ref: 20010

The Board of Bowls Queensland maintains their position and advise Clubs and Districts that BQ will not be commencing any type of competition until such time as the COVID-19 situation allows all bowlers to once again play.

Bowls Queensland does not condone roll ups and should a club allow them it is the full responsibility of the clubs concerned and not BQ.

Clubs have a duty of care to their members and as such should they wish to follow the advice from OLGR, it is the **sole responsibility** of the respective Club Committees for their actions regarding use of the playing areas of the club. Noting that any breaches of the restrictions could result in substantial fines for members and the club.

Clubs should also consider the general advice that, unless it is an essential activity, **to stay at home.**
