Re: Accreditation and Reaccreditation of Officials

Ref: 20011

Due to the coronavirus (COVID – 19) situation currently with us and the uncertainty of when we will get back to some form of normality, all officials (Umpire, Measurer and Marker) with certificates that are due to expire prior to 31/12/2020 are given an exemption for reaccreditation until the 31/12/2020.

All officials that have certificates that are due to expire prior to the 31/12/2020 should still apply for reaccreditation to enable the course/s to be conducted early in 2021.

Likewise any player wishing to become an official (Umpire, Measurer and Marker) should apply to enable the course/s to be conducted early in 2021.

The accreditation and reaccreditation forms are available on the Bowls Queensland website.
