Brett Wilkie
CEO

2019 Annual Report

This annual report provides an overview of Bowls Queensland's activities, achievements and financial performance for the 2019 calendar year. Bowls Queensland's performance is reported within the framework of the 2019-2022 Strategic Plan.

This report contains information beyond Bowls Queensland's reporting requirements to provide readily accessible reference of the State body's work on matters that are of interest to the bowling community.

The Board would like to thank those committees who have contributed to the 2019 Annual Report.

President's Report

The past twelve months has been a privilege to once again hold the office of President of Bowls Queensland.

The sport could not function without volunteers be they club, district or State. We are very fortunate to have such volunteers working as committees in conjunction with all in the sport. These people travel away from their families to assist when and where required giving unstintingly of their time. To all volunteers, my sincere thank you.

Membership is a continuing problem confronting the sport. Whilst for some years the State authority has offered assistance in membership recruitment programs, such as the Come and Try month which has been of reasonable success, and running the Secondary Schools Cup conjointly with BA Regional Bowls Managers with their assistance. Bowls Queensland can offer support and guidance to assist in the promotion of the sport to increase membership, however that same enthusiasm and challenge has to be accepted and embraced by club officials and members for the desired outcome to be achieved.

During the year, BQ has been represented at a number of club anniversaries, one being a visit to Thursday Island for the opening of the new green donated by Moama Bowls Club.

BQ has been able to hold a number of open forums with the assistance of districts where ideas for the betterment of the sport have been discussed and reported back to BQ board for consideration. Additionally, the Bowls Australia RBM Wade Mutzelburg initiated forums that included a representative from Clubs Queensland, Qld Sport &

Recreation, Bowls Queensland and Bowls Australia. These were held at Mooloolaba, Bundaberg and Dalby where all had very good attendance.

Financially the State is on a sound footing with strict adherence to the budget whereby expenditure has been allowed for ongoing maintenance of the office building.

The office staff have continued to support clubs and districts with their day to day workings as required, so they may continue with the business of running our great game of bowls.

Each year, the grim reaper takes a toll on the sport through the loss of so many valued members and past administrators. To family and friends of all the bowlers who passed away during the year, I extend sincere sympathy on behalf of Bowls Queensland.

To the incoming office bearers, I congratulate you. May the year 2020 be a memorable one for Bowls Queensland.

Peter Williamson
President

CEO Annual Report 2019

2019 was a busy year for Bowls Queensland with the highlight of a new Strategic Plan put in place. After consultation with districts, clubs, council delegates, staff, board members and Melanie Woosnam from Active8 Sports Solutions, our new plan runs from 2019 – 2022.

Strategic priorities are:

- Growth
- Leadership & Member Development
- Events & Pathway Development
- Marketing & Communications

We ramped up our live video coverage of events last year with 29 days live streamed, thanks to the Bowls Gold Coast Tweed Media team. Brian Marshall also streamed two days of the North vs South event. This has been a great promotion of our game by getting it out to many non-bowling friends and families of people who shared the feeds through Facebook. It is also fantastic for people all over the State, Australia and the world being able to watch our events live. Together with the BGCT Media Team, we are continually looking to improve this service. Thank you to the BGCT Media Team for their support, especially Robbie Allan and Brian Marshall for the time they devoted throughout the year.

Our web based online database continues to grow with more districts and clubs going online to process their membership movement in 2019. We encourage more to districts and clubs to contact Roxanne in the office to get online access to this valuable resource.

Bowls QLD events were allocated to some new areas and we encourage districts and clubs to show expression of interest to host these events in the future.

Well done to the clubs who held a day during

our "Come and Try Month" in October or other months. This is a great way to attract new players to our sport whether it is a come and try, bring a friend/relative, barefoot bowls session etc. The Secondary Schools Cup was well supported by teams from various parts of QLD with a team from Mackay taking out the title. Thank you to Club Pine Rivers for hosting and sponsoring this event.

I would like to take the opportunity to thank President Peter Williamson and the Board of Bowls QLD for their commitment, leadership and vision. Thank you to all of the hard-working members of Bowls QLD committees: Match, Umpires, Coaching, Selection, Constitution-Disputes & Disciplinary and Audit & Risk. Bowls QLD could not operate without their tireless efforts.

Thank you to our Bowls QLD Staff: Stuart Taylor – Finance Manager; Roxanne Bell – Operations Coordinator/Events; Cath Crowe – Operations Administrator and Michelle Baguley – Membership (part time) for their ongoing hard work and dedication. Thank you to Jo Grey and Cornerstone Communications for looking after the QLD Bowler magazine and our media.

Our three Bowls Australia Regional Bowls Managers (RBMs) have been busy travelling our State throughout the year: Micheal Sorrensen in South East QLD, Wade Mutzelburg in Central QLD and Lesley Bates in North QLD. Bowls QLD works together with our three RBMs and have a good working relationship. I encourage all clubs and districts to utilise the services of our RBMs, who are keen to assist where they can.

Thank you to the State Government who continue to assist Bowls Queensland through the State Development Program. Their new Sport and Rec Strategy "Activate" was launched in 2019, I encourage all clubs and districts to research the strategy and liaise with their local Sport and Rec representative on how they can utilise the benefits.

Thank you to our commercial partners who support Bowls in QLD: Mullins Lawyers, Henselite, BCIB, Club Super and Aceit. These partnerships

have been strong for many years which is great for our sport. Host Plus have now merged with Club Super and we will welcome them as a new partner in 2020.

Well done to all winners and those who participated in Bowls QLD State Events including Domina BCiB District Sides, State Championships (winners advance to Australian Championships), Junior State Championships, Champion of Club Champions (State & National), State Pennant, State District Mixed Pairs and Qualifiers into the Australian Indoor Singles, these are always hard to win and create memories that will last with these players for life. Thank you and well done to all host clubs and volunteers for their valuable assistance in hosting/running these events. Thank you to BCiB, Gold Coast City Council, Toowoomba Regional Council, Life Without Barriers, Tweed Heads Bowls Club and Bowlers Paradise for their support of these events.

Our State performed well again at the Australian Championships at Merimbula in NSW. Well done to the Queenslanders who were successful.

The State Multi Disability Championships went well again this year bringing together the various disability groups. The comradeship of these championships is amazing, well done to all involved in participating and to those who took home medals. Thank you to Mackay Suburban and Mackay City Bowls Clubs for hosting and the Mackay Regional Council for sponsoring this event.

The North versus South competition was well received once again with quality games being played. Thank you to North QLD District, Suburban Bowls Club in Townsville and Exodas Transport for their assistance and support of this event.

Congratulations to all bowlers who were selected to represent Queensland throughout the past year in U18, U25, O60, open and disability events, also to those who were successful in winning medals or shields while representing.

Our ANZAC Test Series between the BQ Presidents XII versus the Australian Defence Force Bowls Association was well received once again. Thank

you to the ADF for a great series and Club Manly for hosting this event.

QLD has been well represented in the Australian Jackaroos Squad with the following players involved - Lynsey Clarke, Chloe Stewart, Bolivia Millerick, Nathan Rice, Aron Sherriff and more recently Barrie Lester who has just moved to QLD from Victoria. Nathan announced his international retirement in 2019, well done Nathan on an amazing international career.

Together with the Bowls QLD Board, Staff, Committees and RBMs, we will be looking to grow our sport into the future. To be successful, the whole bowling community needs to play a part in promoting our game to family/friends and volunteering their time where possible to either spread the word or assist in your local club, district or with events.

I was fortunate enough to visit many parts of Queensland in 2019. I look forward to another busy and productive year in the role of CEO working with all stakeholders to administer our sport. Let's all work together to promote and nurture this great game of ours.

Director of Finance Report

I have pleasure in once again presenting the financial report, this time for the year 2019.

A surplus of \$252,277 was achieved for the year ending December 31, 2019.

In relation to income received there were a number of revenue sources which substantially exceeded budgeted predictions. These are listed as follows:

- Lease and loan payments received from Coorparoo Bowls Club
- Sale of intellectual property to Bowls New South Wales Women
- Sponsorship
- Umpire/Coach Accreditation Courses
- Rule Book sales (Crystal Mark 3)

As to revenue sources which did not meet budgeted predictions they were in respect of affiliation fees and advertising revenue received from the Queensland Bowler Magazine.

The decline in affiliation fees is a direct result of the reduction in the number of affiliated bowlers as compared to the previous year. The number of affiliated bowlers has been in decline since 2006 and this will continue to present challenges in future years.

With respect to advertising revenue from the Bowler magazine many current and potentially new advertisers are moving to digital marketing platforms. The publisher of the Bowler is finding it more difficult each year to maintain and or increase the level of advertising in the magazine.

Overall total revenue received from all sources was up over \$50,000 from the previous year.

In relation to expenses these were largely in line with budgeted predictions. One notable exception was in respect to repairs and maintenance to the building located at 72 Pickering Street, Enoggera.

During the year the Board gave its approval to carry out some long overdue repairs to this building. It is a condition of its lease that the building is maintained in good condition. Some of the repairs carried out include the painting of the exterior, replacing its lights with LED technology and the replacement of a corroded power cable from the Energex pole.

Bowls Queensland has a very solid balance sheet and is well placed to meet the challenges that lay ahead.

Special thanks to Stuart Taylor, Finance Manager who assisted me in this role throughout the year.

Best wishes to all board and committee members and the many volunteers who devote a lot of their time to this sport.

Greg Flynn
Director of Finance

Bowls Queensland Limited

Directors' Report

31 December 2019

The directors present their report, together with the financial statements of the Company, for the financial year ended 31 December 2019.

1. General information

Principal activities

The principal activities of the Company during the financial year was the encouragement, conduct, control and management of the sport of Bowls in Queensland.

No significant change in the nature of these activities occurred during the year.

Short term objectives

The Company's short term objectives are to:

- Provide good management and governance of the sport of bowls.
- Encourage the growth in membership and participation in the sport of bowls in Queensland.

Long term objectives

The Company's long term objectives are to:

- To build a sustainable future for the bowls Community.
- To widen the appeal of the sport of bowls and increase the awareness of the benefits of being "The Sport for Life".
- To develop plans and strategies to assist the commercial viability of QLD Clubs, for their Districts and members.

Strategy for achieving the objectives

To achieve these objectives, the Company has adopted the following strategic plan to assist the company reach its long and short term objectives:

- The Company adopts six pronged approach: involving specific strategies that encourage participation, the maintenance of high performance standards, the organisation of community and competition events, commercial development through marketing, offering strong leadership & governance and encouraging open transparent communication. The Company also establishes and fosters working relationships with a range of community districts, bowls clubs and members. By actively encouraging involvement in the entities activities, the Company will be able to achieve this:
 - Short-term objectives of providing good governance, management and enticing new memberships; and
 - Long-term objectives of building a sustainable future for the sport of bowls and its clubs in Queensland.

Bowls Queensland Limited

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

The financial report covers Bowls Queensland Limited ('the Company'). Bowls Queensland Limited is a non-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

In the Directors opinion, the Company is not a reporting entity since there are unlikely to exist users of the financial statements who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. This special purpose financial report has been prepared to meet the reporting requirements of the *Corporations Act 2001*. The company is a non-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards applicable to entities reporting under the *Corporations Act 2001* and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs unless otherwise stated in the notes. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise. The amounts presented in the financial statements have been rounded to the nearest dollar.

2 Change in Accounting Policy

Revenue from Contracts with Customers - Adoption of AASB 15

The Company has adopted AASB 15 *Revenue from Contracts with Customers* and AASB 1058 *Income of Not-for-Profit Entities* for the first time in the current year with a date of initial application of 1 January 2019.

The Company has applied AASB 15 and AASB 1058 using the cumulative effect method which means the comparative information has not been restated and continues to be reported under AASB 111, AASB 118, AASB 1004 and related interpretations. All adjustments on adoption of AASB 15 and AASB 1058 have been taken to retained earnings at 1 January 2019.

The key changes to the Company's accounting policies and the impact on these financial statements from applying AASB 15 and AASB 1058 are described below.

Enter the specific change in accounting policy

Affiliation fees

The adoption of AASB15, has has no effect on the treatment of affiliation fees. Affilaition fees are billed to members twice a year. No fees are deferred.

Grants - operating

Under AASB 1004, most grant income was recognised as revenue on receipt. Under AASB 1058 and AASB 15, where an agreement is enforceable and contains sufficiently specific performance obligations, the revenue is either recognised over time as the work is performed or recognised at the point in time that the control of the services pass to the customer.

Having reviewed the terms and conditions of grants received by the Company, there has been no change in the treatatment of the grant and is recognised as revenue on receipt.

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

2 Change in Accounting Policy

Leases - Adoption of AASB 16

The Company has adopted AASB 16 Leases using the modified retrospective (cumulative catch-up) method from 1 January 2019 and therefore the comparative information for the year ended 31 December 2018 has not been restated and has been prepared in accordance with AASB 117 Leases and associated Accounting Interpretations.

Impact of adoption of AASB 16

The impact of adopting AASB 16 is described below:

The Company as a lessee

Under AASB 117, the Company assessed whether leases were operating or finance leases based on its assessment of whether the significant risks and rewards of ownership had been transferred to the Company or remained with the lessor. Under AASB 16, there is no differentiation between finance and operating leases for the lessee and therefore all leases which meet the definition of a lease are recognised on the statement of financial position (except for short-term leases and leases of low value assets).

Practical expedients used on transition

AASB 16 includes a number of practical expedients which can be used on transition, the Company has used the following expedients:

- contracts which had previously been assessed as not containing leases under AASB 117 were not re-assessed on transition to AASB 16;
- lease liabilities have been discounted using the Company's incremental borrowing rate at 1 January 2019;
- right-of-use assets at 1 January 2019 have been measured at an amount equal to the lease liability adjusted by the amount of any prepaid or accrued lease payments;
- a single discount rate was applied to all leases with similar characteristics;
- excluded leases with an expiry date prior to 31 December 2019 from the statement of financial position and lease expenses for these leases have been recorded on a straight-line basis over the remaining term;
- for leases which were classified as finance leases under AASB 117, the carrying amount of the right-of-use asset and the lease liability at 1 January 2019 are the same value as the leased asset and liability on 31 December 2018.

Financial statement impact of adoption of AASB 16

The Company has recognised right-of-use assets of \$43,708 and lease liabilities of \$27,640 at 1 January 2019, for leases previously classified as operating leases.

The weighted average lessee's incremental borrowing rate applied to lease liabilities at 1 January 2019 was 5.00%. Operating lease commitments at 31 December 2018 financial statements

47,035

Discounted using the incremental borrowing rate at 1 January 2019

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

1 Basis for consolidation

The consolidated financial statements include the financial position and performance of controlled entities from the date on which control is obtained until the date that control is lost.

Intragroup assets, liabilities, equity, income, expenses and cashflows relating to transactions between entities in the consolidated entity have been eliminated in full for the purpose of these financial statements.

Appropriate adjustments have been made to a controlled entity's financial position, performance and cash flows where the accounting policies used by that entity were different from those adopted by the consolidated entity. All controlled entities have a June financial year end.

A list of controlled entities is contained in Note 27 to the financial statements.

2 Income Tax

The Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

3 Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

3 Revenue and other income

Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

Affiliation fees

The Company earns revenue from provision of services to the clubs. Revenue is recognised over time in the accounting period when services are rendered.

The routine or recurring service contracts where the services provided are substantially the same, the consumption over time and whose consideration consists of a recurring fixed amount over the term of the contract (e.g. monthly or annual payment), in such a way that the customer receives and consumes the benefits of the services as the Company provides them, the revenue recognition model is based on the time elapsed output method.

Under this method, revenue is recognised on a straight line basis over the term of the contract and costs are recognised on an accrual basis

Government Grant

Where grant income arises from an agreement which is enforceable and contains sufficiently specific performance obligations then the revenue is recognised when control of each performance obligations is satisfied.

The performance obligations are varied based on the agreement but may include management of education events, presentations at symposiums and specific training courses. Each performance obligation is considered to ensure that the revenue recognition reflects the transfer of control and within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract.

Where control is transferred over time, generally the input methods being either costs or time incurred are deemed to be the most appropriate methods to reflect the transfer of benefit.

Interest revenue

Interest is recognised using the effective interest method.

Donations and bequests are recognised as revenue when received.

Subscriptions

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

4 Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

5 Inventories

Inventories are measured at the lower of cost and net realisable value.

6 Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Land and buildings

Land and buildings are measured using the revaluation model.

Plant and equipment

Plant and equipment are measured using the revaluation model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	7.5% prime cost - 40% diminishing value
Plant and Equipment	2.5% - 7.5% prime cost

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

7 Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss.

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

7 Financial instruments

Financial assets

Impairment of financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

Trade receivables and contract assets

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and contract asset and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

Other financial assets measured at amortised cost

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

7 Financial instruments

Financial assets

months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

8 Impairment of assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for tangible and intangible assets. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit and loss.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

9 Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of financial position.

10 Leases

For current year

At inception of a contract, the Company assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset - this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

10 Leases

- The Company has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Company has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Company's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Company's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

Exceptions to lease accounting

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

11 Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the

Bowls Queensland Limited

Notes to the Financial Statements

For the Year Ended 31 December 2019

Summary of Significant Accounting Policies

11 Employee benefits

employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the statement of financial position if the Entity does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119.

12 Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 31 December 2019, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company or refer to Note 2 for details of the changes due to standards adopted.

13 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

Key estimates - Impairment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - Provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

On the 22 September 2009, the company acquired the assets and liabilities of the Coorparoo Bowls Club for the nominal consideration on \$1. At that time, the company commissioned Early Group Valuers to undertake a valuation of the property in order to reflect the value in the books of the company. That valuation estimated the property to be worth \$3 million.

As a result, the company recorded a revenue gain of \$3 million in the 2009 financial year. This is reflected in the retained earnings of the company.

In accordance with the Australian Accounting Standard, the company has commissioned a valuation by Trivett Property Group as at 15 February 2019. That valuation has estimated the property to be worth \$1.9 million. This valuation was based on the property remaining a bowls club and does not reflect the possible value should the property be rezoned for either commercial or residential development.

Directors' Declaration

For the Year Ended 31 December 2019

Directors' Declaration

The directors have determined that the Company is not a reporting entity and that these special purpose financial statements should be prepared in accordance with the accounting policies described in Note to the financial statements.

The directors of the Company declare that:

1. The financial statements and notes, as set out on pages 6 to 26, are in accordance with the *Corporations Act 2001* and:
 - (a) comply with Accounting Standards as stated in Note 1; and
 - (b) give a true and fair view of the Company's financial position as at 31 December 2019 and of its performance for the year ended on that date of is in accordance with the accounting policies described in Note of the financial statements.
2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Peter Williamson
President

Bowls Queensland Limited & Controlled Entity

Financial Statements

For the Year Ended 31 December 2019

Bowls Queensland Limited & Controlled Entity

Independent Audit Report to the members of Bowls Queensland Limited

Report on the Audit of the Financial Report

Opinion

We have audited the accompanying financial report, being a special purpose financial report of Bowls Queensland Limited (the Company), which comprises the statement of financial position as at 31 December 2019, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 31 December 2019 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

LIABILITY LIMITED BY A SCHEME APPROVED UNDER PROFESSIONAL STANDARDS LEGISLATION

Bowls Queensland Limited & Controlled Entity

Independent Audit Report to the members of Bowls Queensland Limited

Responsibilities of Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to

Bowls Queensland Limited & Controlled Entity

Independent Audit Report to the members of Bowls Queensland Limited

continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Ferny Grove	Brisbane	Skills Course	16 Nov	31	Dennis O'Toole
Across The Waves	Bundaberg	Bowling Arm/Skills	2 Dec	20	Felix Purcell

In July 2019, Felix Purcell from the Mackay District and Mal Mackney from Tropical Far North District joined the State Coaching Committee (SCC). It was a delight to have them both on board as it gave us a greater coverage of those areas. The SCC is very aware of the importance of a club coach's role, as more often than not, the coach is the first person a new bowler meets. With this in mind, it is paramount that all coaches be patient, understanding and reliable. One important message that I must emphasise to all potential coaches is that a blue card is required if you want to become a coach and there are no exceptions to this rule. Unfortunately we had a few issues this year regarding blue cards and we want to make sure problems do not arise again.

Besides the table alongside this page, 90 reaccreditations were performed for club and introductory coaches in the year which is very encouraging.

Like last year, the table indicates how popular the skills programs are and it also shows the large number of requests for bowling arm seminars. The table also indicates a slight downturn in members applying to

complete Club Coach Courses compared to last year, however this may increase next year.

The State Coaching Committee believes that the workload will continue to be very demanding in 2020 and we are looking forward to the challenge ahead. The Competition Module is nowhere near as popular as the Selection Module and I am led to believe that a new module will be introduced in early 2020 by Bowls Australia.

I thank all the SCC committee for their effort in 2019, and also a special thank you to Gibby, our liaison officer to the BQ Board. Many thanks to the BQ Board for their ongoing support and also to the staff who look after our admin requirements. Special mention to Cath who keeps everyone on track

We are looking forward to assisting bowlers and clubs throughout Queensland with all bowling matters.

Umpire Committee's Report

First of all, I would like to thank the Umpire Committee, Joan Brotherton and Jess Cannon for their continued support and assistance. I would also like to thank BQ Board Member, Colleen Ryan, who has attended and participated in the majority of meetings.

Thank you to Michael Beaumont from Bowls Australia who assisted the BQ Umpire Committee in conducting accreditation and reaccreditation courses for Presenters & Assessors in November, 2019. Since that time BQ has been granted authority to conduct our own accreditation and reaccreditation courses. Various issues including course dates, venues and formats will be addressed by the umpire committee in 2020 and districts will be advised accordingly.

Members of the committee have received positive feedback on the seminars conducted in the Gold Coast Tweed, Sunshine Coast and Gateway Districts. These seminars are for current umpires, measurers and markers. Any person considering becoming an official is also invited to attend the seminars with a view to gaining information relating to the roles, functions and duties of the official. We would like to encourage anyone who is thinking of becoming an official to come along and see what it's all about. At the time of writing this report, seminars are planned for the Moreton Bay and Brisbane Districts.

Any district wishing to hold a seminar is requested to contact BQ to initiate the process.

The committee has also identified a number of issues with the updated training manual and reaccreditation papers and we are addressing these issues with Bowls Australia.

Joan Brotherton continues to receive positive feedback for the article she writes each month for the Queensland Bowler magazine.

Match Committee's Report

The year started with the Junior State Championships held at The Waves Caloundra and Pelican Waters Bowls Clubs on the Sunshine Coast. Players and officials were impressed with the organisation and the standard of the clubs and greens. The competition was fierce amongst the players during the events but the camaraderie after the games was excellent. Congratulations to all winners in all disciplines.

The District Sides were held on the Gold Coast with the men at Broadbeach and Mermaid Beach and the women at Musgrave Hill and Club Helensvale. The clubs looked after our districts admirably and we thank them for their assistance in running our events.

The State Championships were also held on the Gold Coast and like previous years, we held all the finals at one club. All of the host clubs went out of their way to assist us so a special thank you to them and especially to all the volunteers who participated - we could not run our events without you. The mixed pairs were very well supported with numbers up from the previous year. The mixed pairs are now added to the Australian Championships and we hope that this recognition will increase our numbers for this event.

The Queensland Indoor Championships qualifying rounds were held in April and June at Paradise Point and Tweed Heads Bowls Clubs and were run with the expertise expected from these clubs. Tweed Heads hosted the Australian Indoor Championship in August.

The Multi Disability Championships were hosted by Souths Suburban and Mackay City Bowls Clubs. Congratulations to all players on their sportsmanship, their courtesy to each other and their will to succeed at their sport. Thank you to the host clubs and all those who helped make this event a success.

The State District Mixed Pairs finals were played at Diggers Memorial in Rockhampton for the first time and the club ran the event successfully. We were made very welcome and it was a pleasure to be able to take such an event to a regional club. We would like to see more regional clubs lodge expressions of interest as it is an easy event to take around the state.

The State Champion of Club Champions was played at North Toowoomba Bowls Club and we thank them for assisting us to make it a highly successful event.

Our final event of the year was the State Pennant Finals at Tweed Heads Bowls Club and the club excelled itself in hosting the event. The finals were a joy to watch and were played in great spirit and showcased our sport admirably. Congratulations to all the players on a great spectacle.

We find at times that clubs and districts are not fully cognisant with the Conditions of Play for State events and the Bowls Queensland Bylaws. We would like to suggest that all club and district officials make themselves familiar with these Conditions of Play and our BQ Bylaws.

Congratulations to all players and winners, as without you all we wouldn't have any events at all. I hope that you enjoyed yourselves and we will see you all again in 2020.

Finally, we wish to thank everyone for their support throughout the year, our families, our committees and all at Bowls Queensland. Also, we wish to thank all the clubs, volunteers and staff who hosted our events and who always went out of their way to make us very welcome.

Special thanks to Helen, Jimmy, John, Denis and Linda for their work throughout the year.

Selection Committee's Report

Queensland has performed very well again this year. We saw some great bowls being played across the State.

February

QLD v NSW Test Series & Under 25

Queensland obtained good results at the Test Series played at Tweed Heads Bowls Club. The Open Men's team were successful in defeating NSW, while the women's team only narrowly lost to NSW. Both of the Under 25 teams were defeated by NSW.

April

Junior State Championships

Two selectors attended the Junior State Championships on the Sunshine Coast to select a squad of eight boys and girls. It was also very pleasing to see 14 juniors attending the event from Cunnamulla.

Australian Sides Championships

Considered the most prestigious event on the calendar, Queensland players finished as runners up, only missing out on gold by one loss to NSW.

Presidents XII Anzac Test Series

Three selectors attended this event at Manly Bowls Club to see Queensland narrowly defeat the Australian Defence Force and take out the series.

May

State District Sides Championships

Each selector attended a different event each day and there was good feedback from the managers in relation to the selectors approaching them to discuss their players.

June

Australian Open

Many selectors attended over the course of the event and witnessed Queensland players performing well.

July

Queensland v NSW Under 18 Test Series

Queensland boys defeated NSW to claim gold and to win the test for the first time since 2009. The girls only narrowly lost to NSW by 10 shots.

September

Australian Schools Super Series

Queensland scored two gold, two silver and one bronze medal, narrowly missing out to NSW to take the overall best performed state. Two selectors attended as managers for the team.

October

Australian Under 18 Championships

After the finals had been played in Ballarat, Queensland won two gold, two silver and one bronze medal and took out the best performed Girls' State Champions and best performed Boys' State Champions, leading Queensland to win the Robert Middleton trophy for the best overall performed State.

Australian Senior Sides Championships

Played at Ettalong Bowls Club in NSW, Queensland was the best overall performed State in the series and was also awarded the best performed rink for the women which was won by Louise Witton's team. The best performed rink for the men was won by John Finlayson's team.

November

North v South Challenge

Congratulations to Suburban Bowls Club and all the volunteers for a very well run event. After the devastation from the floods earlier this year, it was absolutely fantastic to see the club renovations and quality of the new green. The hospitality shown to all the players was outstanding. The South team of the women and the men were the eventual winners but not without some very close games and the series could have gone either way. The event certainly showcased the talent we have within Queensland.

State Pennant Finals

This year saw some great bowls played from all across Queensland at Tweed Heads. The eventual winners were Broadbeach Bowls Club for the women and Tweed Heads Bowls Club for the men. Congratulations to all competitors who attended and also congratulations to the Bargara women and Enoggera men for making the final. Many thanks also to the Gold Coast Tweed media team for livestreaming the event and to all the volunteers to make the event possible.

November

Qld v Scotland

Five ladies were chosen to play against Scotland in a friendly series over two days. The players were mainly from the Gold Coast as the series was held at Broadbeach Bowls Club and this would not incur many costs. This gave the players from Scotland a good hit out with local players who were used to these conditions.

Constitution, Disputes and Discipline Committee's Report

This year, the committee completed an administration manual which was a major project.

This manual is now on the Bowls Queensland website and we recommend that every club obtains a copy. It will be great assistance to your club committees, particularly those with new office bearers. I would like to acknowledge the umpire, coach and match coordinators for their contributions to the manual, as well as to the board and staff for their help.

We have reviewed several constitutions and it would appear that it would be prudent for clubs (that have not done so for several years) to update their constitutions to reflect the provisions of the Incorporation Act requirements.

I would like to thank the members of the committee, Pam Van Homrigh and Brian Stewart, for their outstanding support plus the board and staff for their help when called upon.
