Re: Expressions of Interest to host the 2022 Junior State Championships **Ref:** 21/001

Expressions of interest are now being called to host the 2022 Junior State Championships.

The Junior State Championships proposed dates are from January 16 to 21, 2022.

The combined total of four greens are required to host these championships. It is desirable that clubs have greens with lights.

It is mandatory that all host clubs are in close proximity within a maximum of 20 minutes drive. It is not necessary for host clubs to be in the same district however they must have their district support.

Green fees will be \$10.00 per discipline per player for sectional games. Green fees will be waived for all disciplines for Post Sectional, Semi Finals and Finals.

Please note: Green fees will be collected with the entry fee and Bowls Queensland will forward to clubs at the conclusion of the Junior State Championships.

Bowls QLD retains the right to engage sponsors, event supporters, event partners and commercial agreements relating to the Junior State Championships. This includes negotiations with the local Council. Clubs must not approach Council or Visitor Information centres for support. Unless in conjunction with Bowls QLD.

Clubs may partner with local businesses to offset the hosting costs, however any partner must not conflict with any Bowls QLD sponsors and approval must be obtained from Bowls QLD.

Please complete the attached form and returned to Bowls Queensland by close of business on **Monday 8 March 2021**.
