PROCEDURE

or

- Clubs must seek approval for "Club Colours & Shirt Design" by submitting an application for approval on the approved form to their District Association.
- The District Association shall be responsible for resolving any possible conflict within its own jurisdiction.
- The District Association must submit approved applications to the State Authority for formal registration.
- The State Authority shall maintain a master register of "Club Colours"
- Districts will be advised by the State Authority once the "Club Colours & Shirt Designs" are registered.

<u>ATTIRE</u>

Clubs may have any colour, design or style provided it is first approved by its District and then registered with Bowls Queensland.

For example, it is permissible to have a full coloured shirt and logos.

No club can have a design that conflicts with Bowls Queensland or the club's District colour and design.

Within each club it is permissible to wear the club's colours.
