3. The Annual Report for the Year
4. Consideration of the audited Statement of Accounts and Balance Sheet for the year
5. Declaration of election Board Directors
6. Introduction of new Officers

Brett Wilkie  
CEO

## 2020 Annual Report

This annual report provides an overview of Bowls Queensland's activities, achievements and financial performance for the 2020 calendar year. Bowls Queensland's performance is reported within the framework of the 2019-2022 Strategic Plan.

This report contains information beyond Bowls Queensland's reporting requirements to provide readily accessible reference of the state body's work on matters that are of interest to the bowling community.

The Board would like to thank those committees who have contributed to the 2020 Annual Report.

### Auditor:

Mazars Audit Limited

### Bank:

Westpac Banking Corporation

### Solicitor:

Mullins Lawyers

# President's Report

Once again it has been a privilege to hold the office of President of Bowls Queensland. When I congratulated the incoming board last year, we were unaware of the problems that would need to be confronted during 2020. I must commend the board for their input during these troubling times.

A decision by the board to give five months affiliation fee relief to clubs struggling through the Covid shutdown was a welcome relief.

To forestall the possibility of litigation over the BQ leasing arrangement, the board was unanimous that the land on which the BQ office block is situated be purchased. The purchase settlement date was 13 August 2020. A valuation to date for land and building of lot 10 is now at Two Million Two Hundred and Fifty Thousand Dollars excl. GST.

District Sides for 2020 was cancelled, however, it was possible to hold the Junior State Championships in January, State Championships in October and the State Champion of Club Champion Singles in November. The North versus South Challenge in early November at Mossman Memorial Bowls Club was a highlight of the year. First Division Pennants were also able to be completed by most districts going onto Zone and State Finals.

The Australian emerging Jackaroos has now nine players from Queensland, including two juniors Kane Nelson and Jake Rynne.

Governance has been a large topic this year with clubs looking to update constitutions, and in some cases move towards merging Ladies and Men's Clubs into unified organisations for the betterment of their clubs, as well as decreasing workloads on volunteers. BQ has actively assisted with all aspects of these endeavours by clubs and good outcomes have been achieved.

Financially BQ is in a good position due to effective cost savings and, where possible, adhering strictly to the budget.

*Peter Williamson*  
President

*Early morning flags at the State Championships held at Paradise Point*

# CEO's Report

It has been a challenging year with the impacts of COVID-19 affecting districts, clubs and members lives across the State. Thank you to all for remaining patient during this period.

Due to the Covid impact and the resultant financial strains being felt by all affiliated clubs for many months, the board of Bowls Queensland agreed to refund those clubs five months of their affiliation fees. This resulted in a deficit for the year.

Most clubs seemed to have come out of Covid in reasonable shape thanks to assistance from the State, Federal and Local Governments, we appreciate this support for member clubs and also the support given to BQ. With many people more inclined to stay local later in the year, several clubs benefited from new local patronage. The key is to give these patrons a good experience at the club to entice them to keep coming back.

One of the positives of Covid was it gave club and district volunteers the opportunity to learn the BQ Online Database while they were at home. This gave them the opportunity to view their membership and to start processing changes online. We encourage more clubs and districts to contact Roxanne in the office to get online access to this valuable resource.

We had plans to increase our Live Streaming last year which ended up being hampered by Covid cancellations. We still managed to live stream 22 days across five events thanks to the Bowls Gold Coast Tweed Media team. This has been a great promotion of our game by getting it out to many non-bowling friends and family of people who shared the feeds through Facebook. We have now created a page on our website where people not on Facebook can watch these games live. It is fantastic for people all over the State, Australia and the world to be able to watch our events live. Many clubs are now transferring the live games onto their in-house TVs for patrons to view. Thank you to the BGCT Media Team for their support,

especially Robbie Allan and Brian Marshall for the time they devoted throughout the year.

Unfortunately, the following events were not held in 2020 due to Covid: QLD District Sides, Champion of Club Champion Pairs and Fours, Secondary Schools Cup, State District Mixed Pairs and QLD qualifying for the Australian Indoor Singles. No Queensland representative games were played for the year in the Australian Championships (open, over 60 and U18), Test Series versus NSW (open, 40-59, U25 & U18) or the ANZAC Test Series.

Well done to all winners and those who participated in Bowls QLD State Events that were held including State Championships which was postponed until October, Junior State Championships, Champion of Club Champions Singles and State Pennant. These events are always hard to win and a memory that will last with these players for life. Thank you and well done to all host clubs and volunteers for their valuable assistance in hosting/running these events. Thank you to Gold Coast City Council, Major Events Gold Coast, Paradise Point Bowls Club, Toowoomba Regional Council and Hostplus for their support of these events.

The State Multi Disability Championships went well again this year bringing together the four disability groups. The comradeship of these championships is amazing, well done to all involved in participating and to those who took home medals. Thank you to Chermiside Bowls Club for hosting and the Brisbane City Council for sponsoring this event.

The North versus South competition was well received at a new venue with quality games being played. Thank you to Tropical Far North QLD District Men/Ladies, Mossman Memorial Bowls Club, Mossman Shire Council and Exodas Transport for their support of this event.

QLD has been well represented in the Australian Jackaroos Squad by Lynsey Clarke, Chloe Stewart, Aron Sherriff and Barrie Lester. Many Queenslanders have made their way into the Emerging Jackaroos Squad and I wish them all the best in their quest to make the open squad/team.

Well done to the clubs who held a day during our

"Come and Try Month" in October or other months. This is a great way to attract new players to our sport whether it is a come and try, bring a friend/relative, barefoot bowls session, etc.

I would like to take the opportunity to thank President Peter Williamson and the Board of Bowls QLD for their commitment, leadership and vision. Thank you to all of the hard-working members of Bowls QLD committees: Match, Umpires, Coaching, Selection, Constitution-Disputes & Disciplinary and Audit & Risk. Bowls QLD could not operate without their tireless efforts. Many of these committees saw an increase in numbers during 2020 bringing in new experience.

Thank you to our Bowls QLD Staff: Stuart Taylor – Finance Manager; Roxanne Bell – Operations Coordinator/Events; Cath Crowe – Operations Administrator and Michelle Baguley – Membership (part time) for their ongoing hard work and dedication. Thank you to Jo Grey and Cornerstone Communications for looking after the QLD Bowler magazine and our media.

Our three Bowls Australia Regional Bowls Managers (RBMs) have been busy travelling our State throughout the year: Micheal Sorrensen in South East QLD, Wade Mutzelburg in Central QLD and Lesley Bates in North QLD. Bowls QLD works together with our three RBMs and have a good working relationship. I encourage all clubs and districts to utilise the services of our RBMs who are keen to assist where they can.

Thank you to the Queensland State Government who continue to assist Bowls Queensland through the

State Development Program. I encourage all clubs and districts to liaise with their local Sport and Rec representative on how they can work together.

Thank you to our commercial partners who support bowls in QLD: Mullins Lawyers, Henselite, BCIB, Hostplus and Aceit. Many of these partnerships have been strong for many years which is great for our sport.

I reiterate my words of last year as they still hold true: together with the Bowls QLD Board, Staff, Committees and RBMs, we will be looking to grow our sport into the future. To be successful, the whole bowling community needs to play a part in promoting our game to family/friends and volunteer their time where possible to either spread the word or assist in your local club, district or with an event/s.

I look forward to another busy and productive year in the role of CEO working with all stakeholders to administer our sport. Let's all work together to promote and nurture this great game of ours.

**Brett Wilkie**  
CEO

Distinguished Service Member Myrna Farthing

# Director of Finance Report

It is my pleasure to submit the financial report for the year 2020.

A surplus of \$1,123,258 was achieved for the year ending December 31, 2020. The total comprehensive income included an adjustment of \$1,287,110 due to a revaluation of the Bowls Qld property located at 72 Pickering Street, Enoggera. The revaluation was carried out due to Bowls Queensland purchasing the land on which its headquarters are located. Previously the land was leased from Enoggera Bowls Club.

From an operational viewpoint Bowls Queensland recorded a deficit of \$163,852 for the year.

The 2020 year provided many financial challenges due to the Covid-19 pandemic. The pandemic caused clubs to cease normal operations for several months of the year and several BQ controlled events had to be cancelled or postponed.

Due to the impact the virus had on clubs the BQ Board made the decision to provide five months affiliation fee relief. This resulted in a reduction of affiliation fee income of \$560,363 as compared to the previous year.

In addition to a reduction in affiliation fees income, other sources of income were also directly affected by the pandemic namely, Qld Bowler magazine revenue and interest earned.

The impact from the loss of revenue was partially offset by a reduction in operational, committee and competition expenses as well as reduced Qld Bowler production.

BQ qualified for the Federal Government Covid relief packages and received \$226,220 in respect of the Job Keeper and cashflow boost programs. Eligibility for these grants ceased as at the 31st December 2020.

Overall, it is considered BQ ended the year in a relatively good financial position considering what a year 2020 was. The operational deficit recorded was in line with decisions BQ took during the shutdown caused by Covid-19. The purchase of the land from Enoggera Bowls Club resulted in an increase in BQ's net equity worth. Bowls Queensland has a very solid balance sheet and is well placed to meet the challenges that lay ahead.

Special thanks to Stuart Taylor, Finance Manager who assisted me in this role throughout the year.

Best wishes to all board and committee members and the many volunteers who devote a lot of their time to this sport.

*Greg Flynn*  
Director of Finance

## Bowls Queensland Limited

### Director's Report

**31 December 2020**

The directors present their report, together with the financial statements of the Company, for the financial year ended 31 December 2020.

#### **1. General information**

##### **Principal activities**

The principal activities of the Company during the financial year was the encouragement, conduct, control and management of the sport of bowls in Queensland.

No significant change in the nature of these activities occurred during the year.

##### **Short term objectives**

The Company's short term objectives are to:

- Provide good management and governance of the sport of bowls.
- Encourage the growth in membership and participation in the sport of bowls in Queensland.

##### **Long term objectives**

The Company's long term objectives are to:

- To build a sustainable future for the bowls community.
- To widen the appeal of the sport of bowls and increase the awareness of the benefits of being "The Sport for Life".
- To develop plans and strategies to assist the commercial viability of affiliated bowls clubs in Queensland and their associated districts.

##### **Strategy for achieving the objectives**

To achieve these objectives, the Company has adopted the following strategic plan to assist the company reach its long and short term objectives:

- The Company adopts six pronged approach: involving specific strategies that encourage participation, the maintenance of high performance standards, the organisation of community and competition events, commercial development through marketing, offering strong leadership & governance and encouraging open transparent communication. The Company also establishes and fosters working relationships with a range of community districts, bowls clubs and members. By actively encouraging involvement in the entities activities, the Company will be able to achieve this:
  - Short-term objectives of providing good governance, management and enticing new memberships; and
  - Long-term objectives of building a sustainable future for the sport of bowls and its clubs in Queensland.

## Bowls Queensland Limited

### Director's Report

31 December 2020

#### 1. General information

##### Directors

The names of the directors in office at any time during, or since the end of, the year are:

##### Names

Peter Williamson  
Kerry Green  
Gregory Flynn  
Colleen Ryan  
Carmel Gibb  
Brian Marshall  
Geoffrey Osborne

##### Information on directors

The names of each person who has been a director during the year and to the date of this report are:

<b>Peter Williamson</b>	<b>President</b> (elected AGM 23 March 2016)
<b>Kerry Green</b>	<b>Vice President</b> (elected AGM 23 March 2016)
<b>Gregory Flynn</b>	<b>Board Director</b> (appointed September 2013)
<b>Colleen Ryan</b>	<b>Board Director</b> (appointed 25 April 2015)
<b>Carmel Gibb</b>	<b>Board Director</b> (elected AGM 23 March 2016)
<b>Brian Marshall</b>	<b>Board Director</b> (appointed 22 March 2017)
<b>Geoffrey Osborne</b>	<b>Board Director</b> (appointed 22 March 2017)

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

##### Members' guarantee

Bowls Queensland Limited is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person or association who ceased to be a member in the year prior to the winding up, is limited to \$ 1 subject to the provisions of the company's constitution.

At 31 December 2020 the collective liability of members was \$ 26,435 (2019: \$ 27,277).

##### Meetings of directors

During the calendar year, 12 meetings of directors were held. Attendances by each director during the year were as follows:

## Bowls Queensland Limited

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2020

The special purpose financial report covers Bowls Queensland Limited ("the Company"). Bowls Queensland Limited is a non-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

Comparatives are consistent with prior years, unless otherwise stated.

#### 1 Summary of Significant Accounting Policies

##### a Basis of Preparation

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users who are dependent upon its general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of *Corporations Act 2001*.

##### b Income Tax

The Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

##### c Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

##### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

# Bowls Queensland Limited

## Notes to the Financial Statements

For the Year Ended 31 December 2020

### 1 Summary of Significant Accounting Policies

#### c Revenue and other income

##### Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

##### Affiliation fees

The Company earns revenue from provision of services to the clubs. Revenue is recognised over time in the accounting period when services are rendered.

The routine or recurring service contracts where the services provided are substantially the same, the consumption over time and whose consideration consists of a recurring fixed amount over the term of the contract (e.g. monthly or annual payment), in such a way that the customer receives and consumes the benefits of the services as the Company provides them, the revenue recognition model is based on the time elapsed output method.

Under this method, revenue is recognised on a straight line basis over the term of the contract and costs are recognised on an accrual basis

##### Government Grant

Where grant income arises from an agreement which is enforceable and contains sufficiently specific performance obligations then the revenue is recognised when control of each performance obligations is satisfied.

The performance obligations are varied based on the agreement but may include management of education events, presentations at symposiums and specific training courses. Each performance obligation is considered to ensure that the revenue recognition reflects the transfer of control and within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract.

Where control is transferred over time, generally the input methods being either costs or time incurred are deemed to be the most appropriate methods to reflect the transfer of benefit.

##### Interest revenue

Interest is recognised using the effective interest method.

Donations and bequests are recognised as revenue when received.

##### Subscriptions

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

##### Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2020

#### 1 Summary of Significant Accounting Policies

##### d Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

##### e Inventories

Inventories are measured at the lower of cost and net realisable value.

##### f Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

##### Land and buildings

Land and buildings are measured using the revaluation model.

##### Plant and equipment

Plant and equipment are measured using the cost model.

##### Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	7.5% prime cost - 40% diminishing value
Plant and Equipment	2.5% - 7.5% prime cost

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2020

#### 1 Summary of Significant Accounting Policies

##### g Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

##### Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

##### *Classification*

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

##### *Amortised cost*

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

##### Financial assets through profit or loss

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2020

#### 1 Summary of Significant Accounting Policies

##### g Financial instruments

###### Financial assets

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

###### *Trade receivables*

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

###### *Other financial assets measured at amortised cost*

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

# Bowls Queensland Limited

## Notes to the Financial Statements

### For the Year Ended 31 December 2020

#### 1 Summary of Significant Accounting Policies

##### g Financial instruments

###### Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

##### h Impairment of assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for tangible and intangible assets. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit and loss.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

##### i Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of financial position.

##### j Leases

At inception of a contract, the Company assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset - this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Company has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Company has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2020

#### 1 Summary of Significant Accounting Policies

##### j Leases

###### Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Company's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Company's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

###### *Exceptions to lease accounting*

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

##### k Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the statement of financial position if the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2020

#### 1 Summary of Significant Accounting Policies

##### l Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 31 December 2020, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

##### m Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

##### Key estimates - Impairment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

##### Key estimates - property held at fair value

An independent valuation of the Enoggera property (land and buildings) carried at fair value was obtained as at 26 August 2020. The directors have reviewed and adopted this valuation prepared by Hymans Valuers and Auctioneers for the financial year ended 31 December 2020. The market value was determined using direct comparison with the available sales evidence within the surrounding locality.

##### Key estimates - Provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

##### Coorparoo Club House

On the 22 September 2009, the company acquired the assets and liabilities of the Coorparoo Bowls Club for the nominal consideration on \$1. At that time, the company commissioned Early Group Valuers to undertake a valuation of the property in order to reflect the value in the books of the company. That valuation estimated the property to be worth \$3 million.

As a result, the company recorded a revenue gain of \$3 million in the 2009 financial year. This is reflected in the retained earnings of the company.

In accordance with the Australian Accounting Standard, the company has commissioned a valuation by Trivett Property Group as at 15 February 2019. That valuation has estimated the property to be worth \$1.9 million. This valuation was based on the property remaining a bowls club and does not reflect the possible value should the property be rezoned for either commercial or residential development.

##### Enoggera Property

On the 13 August 2020, the company acquired land Lot 10 located at 72 Pickering St. Enoggera QLD for \$715,000 plus transaction costs. On 26 August 2020, an independent valuation carried by Hymans Valuers and Auctioneers of

#### 16 Events Occurring After the Reporting Date

On 11 March 2020, the World Health Organisation ("WHO") declared a pandemic in respect of increasing cases of Coronavirus being recorded on a global basis. Since the WHO declaration, The Australian Commonwealth and State governments have been implementing various policy measures to respond to the pandemic, including quarantine measures and economic stimulus packages. Arrangements for quarantine and economic stimulus continue to evolve at the reporting date and can be expected to change during the course of the next year. At this time, the Company is unable to determine the extent of the future impact of the pandemic.

Except for the above, no other matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in future financial years.

## Report on the Financial report

### Opinion

We have audited the accompanying financial report, being a special purpose financial report, of Bowls Queensland Limited (the Company), which comprises the statement of financial position as at 31 December 2020, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Company's financial position as at 31 December 2020 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards to the extent described in Note 1 and the *Corporations Regulation 2001*.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

### Emphasis of Matter - Basis of accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001*.

Mazars Audit (Qld) Pty Limited  
ABN: 13 132 902 188 | Authorised Audit Company: 338599  
Liability limited by a scheme approved under Professional Standards Legislation.

Level 11, 307 Queen Street  
Brisbane Qld 4000

GPO Box 2268

www.mazars.com.au

and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

# Why are the worlds most accurate bowls the most affordable bowls?

## Robots! Robots! Robots! Robots!

Aero invested in the most sophisticated equipment available with only one thought in mind

Engineer the most accurate sets of bowls with 'the same line everytime' and a TRUE TRAJECTORY® by doing this Aero changed the game forever

As an Aero Player you'll know very well what an accurate set can do for your confidence level and your game. If it goes wrong at the head you'll know it's not the bowl ... then make your correction to get the shot.

*If you are NOT an Aero Player.....well, we can only suggest you take a look at another few sets of the same model as yours to discover that they are all different. Now you can blame the bowls because*

NO OTHER BRAND CAN CLAIM "the same line everytime-true trajectory®"

## No bowl can track as accurately as an AERO BOWL. Only Aero Bowls have a TRUE TRAJECTORY®

# Coaching Committee's Report

## Committee

Alan Thorp  
(Co-ordinator)  
Dennis O'Toole  
Eric Tomsene  
Jacqui Hineman  
Felix Purcell  
Malcolm  
Mackney  
Carmel Gibb  
(Board Liaison)

The year started normally with a number of courses and skills programs being conducted in various districts throughout the State, with many more enquiries for courses for the coming months.

Unfortunately due to Covid-19, coaching activities in Queensland was dramatically suppressed. Bowls Queensland abided by all government legislation and Covid-19 rules, which meant that clubs had to stop bowling and trading activities. As a consequence, many clubs are still feeling the effects of the five months closure. Thankfully, through hard work and good governance, most clubs in Queensland have absorbed the impact of the pandemic and are functioning again, albeit with some restrictions imposed by the relevant authorities. When Bowls Queensland gave the all clear to recommence coaching activities, the SCC was able to get back to conducting courses and programs. Barring any further unforeseen circumstances, I

believe that the SCC are in for a very busy 2021. The committee is very happy to be up and running again, so hopefully those members awaiting reaccreditation or wishing to attend a course can accomplish their goals this year. The table below outlines the activities the SCC performed pre and post Covid.

In July 2020, Jacqui Hineman joined the State Coaching Committee (SCC) from the sub-committee. The committee was happy to see her fill that role once again.

I thank all the SCC committee for their effort in 2020 and special thanks to "Gibby" (Carmel Gibb), our liaison officer to the Bowls Queensland Board. My sincere thanks to the board for their ongoing support and to the administration staff who look after our admin requirements. I'd like to make special mention of Cath who supervises all coaching activities and keeps things moving forward. Cath performs a terrific job on all coaching matters. The SCC looks forward to assisting districts and clubs throughout Queensland in 2021 and hopefully the year will bring fulfilment and happiness to all.

# Umpire Committee's Report

With the COVID lockdowns finished we can hopefully get back to accreditation and reaccreditation courses. There was some confusion with the memo coming out of Bowls Australia.

The initial memo indicated that officials with an expiry date after 31.03.2020 would get an extension to the 31.03.2021. This was changed to indicate that the officials would get an exemption for 12 months from when their accreditation expired. The majority of officials have remained with the reaccreditation of 31.03.2020. Those that elected to have the expiry date 12 months after the current expiry date can apply for reaccreditation when their card expires.

Members may be aware of a new segment on the BQ web page under the heading 'Umpires'. The segment refers to frequently asked questions (FAQs). This page will be updated approximately every 6 months. Should any member/s have any suggestions please let us know.

Contrary to some queries that I have received, there are no other amendments to the current Law Book version 3.1. I do not expect any further amendments until the next Commonwealth Games when the laws are reviewed.

One issue that continues to raise its ugly head is that the majority of players and some officials do not read the conditions of play. There are a number of reasons provided, including "they are the same each year" or "that is the function of the manager/team captain". Whilst walking around various venues I regularly receive questions as to the information relating to the game, for example start and finish times; what happens with dead ends, etc. Could each district please ensure that all players are aware of the conditions of play. The conditions of play are provided by Bowls Queensland and are also available on the website for each respective event.

In closing would all districts approach their clubs to ascertain if further accreditation of officials can occur?

# Constitution, Disputes and Discipline Committee's Report

The year 2020 has been a relatively quiet one for our committee. We were able to assist several clubs with constitution problems and, where necessary, make recommendations for amendments.

Because of the virus pandemic, clubs were required to cease operations for a period, thus making constitution changes unlikely.

Many clubs suffered financially, and it appears that it would be prudent for clubs to consider (when back to normal) making provision in their by-laws, to establish a "future" fund to enable funds to be available for essential club operations, should the occasion arise again.

My thanks to committee members Pam Von Homrigh and Brian Stewart for their loyalty and contribution to bowls in the State.

Earl Klease

# Match Committee's Report

## The bowls year started as usual with the Junior State Championships.

North Toowoomba and Toowoomba Bowls Clubs ran everything smoothly and all the players and officials were impressed with the organisation and the running of the event. The Junior State Championships will be held at these two clubs again in 2021 and we are sure that the event will be up to the high standard that they have already set.

We were supposed to be in the Gateway District in 2020 for District Sides but unfortunately, Covid-19 prevented them from hosting this event. However, we shall be back there in 2021 with the same host clubs if there are no restrictions to the number of people attending a club. We do have a possible draw ready if it becomes necessary. We were also forced to postpone the State Championships until October and we cancelled the Men's and Women's Indoor Qualifying, District Mixed Pairs Championship, Secondary Schools Cup and the Champion of Club Champions Fours and Pairs with just the Singles played.

We played the State Championships on Gold Coast and we were spread out from Coolangatta to Beenleigh and we played at just about every club between. We must thank all the clubs that made rinks available to us and to all their volunteers who gave up their time to assist us in running our events. We could not have done it without you.

The Match Committee was involved with the Multi Disability Championships and I must congratulate all the players for their sportsmanship, their courtesy to

each other and their will to succeed at their sport. It was unbelievable to watch and I'm sure an inspiration to all the spectators who were there. Congratulations to all involved.

Our penultimate event of the year was the State Pennant Finals with the men at Cleveland Bowls Club and the women at Capalaba Bowls Club and both these clubs excelled themselves in hosting our event. The finals were a joy to watch and were played in a great spirit and showcased our sport admirably. Congratulations to all the players for a great spectacle.

We played the Champion of Club Champions Singles at Chermside as our final event for the year and the club made us most welcome and assisted us in the running of the event.

Congratulations go of course to all winners for the 2020 season and congratulations also to all the players in our State events, without you all we wouldn't have any events at all. I hope that you enjoyed yourselves and we will see you all again in 2021 hopefully without a lot of the dramas we had to endure in 2020.

Finally we wish to thank everyone for their support throughout the year, our families, our committees and all at Bowls Queensland. Also we wish to thank all the clubs who hosted our events and who always went out of their way to make us very welcome.

Special thanks to Helen, Jimmy, John, Denis and Linda for their work throughout the year.

# Selection Committee's Report

The selectors attended a number of key events through the year to watch and assess current state players, and identify emerging players who could be considered for state representative selection in the future.

These key events draw players from across all districts in the state and include:

- State Junior Championships
- State District Sides
- State Championships
- State Pennant Finals
- State Champion of Champions
- North vs South Challenge

Attendance at other events such as inter-district events and major tournament finals may be considered by the committee on a case-by-case basis.

All interstate and international events were cancelled in 2020 due to Covid-19. However, once competition resumed, it was a busy time for selectors with a number of the key selection events occurring. These events included state championships, state pennant finals, champion of champion singles and the North v South Challenge which was able to be held before the end of the year.

## October 2020

### State Championships

The State Championships were held at various clubs on the Gold Coast with finals held at Paradise Point Bowls Club. Selectors were in attendance each day, covering most of the sectional and post sectional play and all finals. Despite the long break from regular competition for the players, we witnessed some outstanding finals.

## November 2020

### North v South Challenge

Congratulations to the Mossman Bowls Club for hosting the annual North vs South Challenge, the hospitality shown to all the participants was

outstanding. State selectors were in attendance to assess the performances of all participating players. After some very close games, the South men's and ladies teams were declared the winners. The North ladies team was able to score a win against the South in the 2nd test making the 3rd and final test a nail-biting decider.

### State Pennant Finals

This event proves a good opportunity for selectors to assess the performance of players from across the State with some great bowls being played. There was a selector in attendance for each day of the event. This year it was held at Cleveland Bowls Club (men) and Capalaba Bowls Club (ladies) with the winners being Belmont (men) and Broadbeach (ladies). Congratulations to the Kawana men and Bargara ladies for making the final.

### Champion of Club Champion Singles

Due to Covid-19 restricting competitions this year, only the Champion of Champion singles event was held. The event was held at Chermside Bowls Club with selectors in attendance each day. There were some promising players on show from districts throughout the State, providing a good opportunity for the selectors to assess player performances.

Many thanks to the Gold Coast Tweed media team for the live-streaming of major BQ events as well as a number of district events and major tournaments. The introduction of live-streaming has provided an additional resource for selectors who may want to review player or team performances.

I would like to thank Ron, Maria, John, Brad and Gary for the work they do in attending these key events to watch and assess player performances and gather player statistics, and also to our board liaison Brian for his ongoing support.
