Welcome

On behalf of the Board of Bowls Queensland and Staff I would like to warmly welcome the players, supporters and officials to the 2021 Secondary Schools Cup Final.

This event will be thoroughly enjoyed by visiting players, their supporters and spectators.

It is a significant achievement to all players who have progressed to the finals. May your time at Club Pine Rivers be an enjoyable experience and an opportunity to make new friends.

Bowls Queensland acknowledges Club Pine Rivers for their generosity in hosting this event and the State Government through the Sport and Recreation Department for funding that allows these events to be held.

Once again welcome all.

Peter Williamson

Bowls Queensland, President

Here at Club Pine Rivers we are proud to host and sponsor the Bowls Queensland Secondary Schools Cup Competition. It is fantastic to see all these up and coming young bowlers on our greens, growing our wonderful sport.

On behalf of our Board , I would like to welcome to all of the players, parents, teachers, managers and the Bowls Queensland and Bowls Australia representatives here to Club Pine Rivers.

It is a fantastic achievement to have made it to the State Finals, congratulations to all teams competing and good luck.

I am sure you will enjoy our amazing facilities and hospitality during your time with us and we hope you can visit again sometime soon.

Adrian Holiday

Club Pine Rivers, President

Conditions of Play

The championship will be conducted under the current Crystal Mark Edition: Laws of the Sport of Bowls.

1. Format of the game will be three bowl pairs (each player plays three bowls).
2. Game duration: 9 ends per match or 1 hour time limit, roll up prior to first game each day only.
3. There will be no dead ends during the match. The Jack to be re-spotted on the T if the end is dead. (A dead end occurs when the Jack passes outside the rink boundary markers, over the bank or rebounds back on the green and is less than 18m from the front of the mat).
4. Each team gets to have one power-play per match. A power-play is where the score is doubled for that end. This is to be nominated before the first bowl for that end.
5. The winner of the previous end will deliver the jack anywhere on the centre line at a minimum distance of 21m from the front of the mat.
6. Closest bowl scores one shot and additional closest bowls from the same team score additional shots. The team at the end of the match with the greatest number of shots will be declared the winner. If scores are level, the match will be a tie.
7. Players in a team may consult their team teacher/coach/manager if required during the game; however the team teacher/coach/manager cannot interrupt the game to offer advice unless requested by the players.
8. The state winner will be the team with the highest total match points. If two or more teams are equal on total match points after round 9 of play the team with the highest margin will be the winner. (if still equal, the team with the highest percentage will be the winner) (total shots for minus shots against). Scoring for the competition will be: Win = 2 Points, Tie = 1 Point, Loss = 0 Points
9. The controlling body has the right to alter the conditions to obtain a successful result.

Attire:

- Players shall wear school sports uniform or a team representative uniform with flat sole shoes.

Teams are encouraged to bring and display their school flags/banners as required
