6. Introduction of new Officers

Brett Wilkie  
CEO

## 2021 Annual Report

This annual report provides an overview of Bowls Queensland's activities, achievements and financial performance for the 2021 calendar year. Bowls Queensland's performance is reported within the framework of the 2019-2022 Strategic Plan.

This report contains information beyond Bowls Queensland's reporting requirements to provide readily accessible reference of the state body's work on matters that are of interest to the bowling community.

The Board would like to thank those committees who have contributed to the 2021 Annual Report.

# President's Report

2021 has seen Bowls Queensland continue to progress the sport albeit no end in sight with Covid. A number of events were unable to be played; however, the BQ Match Committee was able to run State District Sides, Junior State Championships, State Championships, Champion of Champions, State District Mixed Pairs and Pennant finals and also assist with running of the Disability Championships .

BQ was able to ensure the North verses South Challenge continued to be played. The events that were able to be played have been quite successful and showed Queensland has some outstanding emerging players for the future. None of these events would have been possible without the BQ staff, the events Co-Ordinator and CEO working hard to make them happen, as well as others who work with the Match Committee and, the often unseen, State Umpires ably assisted by Club Umpires.

The State selectors have been busy attending events where possible and putting together a list of players to represent Qld in this coming year events.

The Coaching Committee, hampered by conditions out of their control, continued to impress with the

workload and achievements in courses and coaching clinics held.

Attendance by board members as guests for special occasions at clubs throughout the year has been well received.

The board, staff and CEO continuing to have ongoing meetings with other sporting organisations, politicians and the Department of Sports and Recreation has been able to ensure correct information reaching clubs and districts.

The board has continued to explore the playing of events in regional areas taking into account the considerable cost associated with travel and accommodation of players and spectators.

Financially, the company is sound even though a loss was incurred last year, and it is envisioned some maintenance to the office will be needed in the coming year.

As clubs and districts are aware, obtaining funding can be difficult and, as such, Bowls Queensland acknowledges the State Government funding through the Department of Sport and Recreation that allows participation at all levels and ages.

I wish to extend my sincere thanks to the board, staff and committees who have worked through trying times for their time and effort in ensuring the best outcomes of all matters put before BQ.

*Peter Williamson*  
President

# CEO's Report

It was another challenging year with the impacts of COVID-19 having a bearing on districts, clubs and members lives across the State. Unfortunately, many of our clubs were affected by restrictions coming out of lockdowns and the border closures. Bowls Queensland continued to liaise with the QLD Government, Clubs QLD and QSport to always advocate for our sport.

Most clubs have come out of COVID in reasonable shape with record numbers attending Christmas barefoot bowls functions and birthday parties, etc. These are ideal opportunities for clubs to provide a good experience for these people to encourage them to come back and patronise the club in the future. Whether it is as a social member using the facilities or a potential newcomer joining the club, much will hinge on their first impressions of the club, its hospitality and its atmosphere.

After having reduced numbers at the postponed AGM in 2020, it was great to be able to return to a full complement of district representatives at our AGM and council meetings in March and September 2021. Thank you to those delegates who gave their time to attend these meetings and report back to their respective districts. Congratulations to Peter Williamson who was awarded a Distinguished Service Member Award by the council.

Bowls Queensland's Strategic Plan runs from 2019–2022. In 2022 we will be reviewing it for the implementation of a new Strategic Plan in 2023.

One of the positives of COVID was it gave club and district volunteers the opportunity to learn the BQ Online Database while they were at home, which gives them the opportunity to view their membership and process changes online. We encourage more clubs and districts to contact Roxanne in the office to get online access to

this valuable resource. Bowls Queensland's competition system is now available for districts and clubs to utilise free of charge.

Bowls QLD wishes to thank the QLD State Government for agreeing to continue their support of bowls in QLD through their Active Industry Funding. I attended a Clubs QLD Parliamentary Friends of Clubs Dinner at Parliament House during 2021. Bowls was well represented by many clubs and the Premier Anastacia Palaszczuk, Opposition Leader David Crisafulli and Clubs QLD CEO Kelly Egan all recognised the sport of bowls and bowls clubs in their speeches on the night.

Congratulations to Windsor and Tweed Heads Bowls Clubs who celebrated their 100-year anniversaries. Windsor celebrated with a special day involving many dignitaries and a Centenary Fours Event. I was fortunate enough to attend the Tweed Heads Gala Ball on their anniversary which was held on their famous indoor green. A highlight of the night was the recognition of the large number of long serving staff that have and are still working at the club, this ranged from 25–43 years of service. It is a magnificent testament to the club to have staff working for such a long period.

Bowls QLD was fortunate to be able to run all our intrastate events in 2021. Well done to all winners and participants. These various events are always hard to win and the memories experienced will remain with players for life. Thank you and well done to all host clubs and volunteers for their valuable assistance in hosting and running these events. Thank you to Gold Coast City Council, Major Events Gold Coast, Toowoomba Regional Council, Mackay Regional Council, Douglas Shire Council, Capalaba Sports Club, Club Pine Rivers, Mossman Memorial Bowls Club, Souths Suburban Bowls Club, Broadbeach Bowls Club, Souths Leagues Club Mackay, Life Without Barriers, Exodas Transport, ITP QLD, Henselite, Nic Fisher - Image Property, Sun Blessed Sunscreens and J Carroll Club Promotions for their support of these events.

Each day of our events were live streamed in 2021 and will continue to be live streamed in 2022. Numbers of those watching our streams continue to grow on both the BQ website and Facebook page. Many clubs now play these streams on their club TVs which is great for local members and guests to watch. This has been a great promotion of our game by getting it out to many non-bowling friends

and family of people who shared the feeds through Facebook. Thank you to the Bowls Gold Coast Tweed Media team Robbie Allan and Brian Marshall for providing this quality production.

Trials and camps took place with selected squads and teams. Unfortunately, no representative games versus NSW, Australian Championships or the ANZAC Test versus the Australian Defence Force could go ahead. Fingers crossed 2022 sees a return of our representatives in maroon.

The State Multi Disability Championships went well again this year bringing together the four disability groups. The comradeship of these championships is amazing, well done to all involved in participating and to those who took home medals. The Secondary Schools Cup continues to grow and culminated in another great finals series at Club Pine Rivers. Thank you to our RBMs for assisting with this event.

I encourage clubs who do not have any juniors or regular junior sessions to consider trying to start some up. Maybe start with encouraging club members to invite family members along to try bowls. Do you have any members willing to run these sessions? It would be great to see some more junior events on the bowls calendar at club and district level, which gives our current juniors events to enter. It was pleasing to see a couple of new events start up in 2021 at Glasshouse Country and Burnett Bowls Clubs.

Well done to the clubs and their volunteers who held a day during our "Come and Try Month" in October or other months. This is a positive and successful way to attract new players to our sport, whether it is a come and try, open day, bring a friend/relative, barefoot bowls session, community day, family fun day, fancy dress theme or whatever you may like to call it that would be popular in your area. This then poses a question to clubs, what do you have on offer to entice them back to the club? Bowls QLD promoted the "Come and Try" month on social media throughout October, thank you to those who shared these posts.

I would like to take the opportunity to thank President Peter Williamson and the board of Bowls QLD for their commitment, leadership and vision. Thank you to all of the hard-working members of Bowls QLD committees: Match, Umpire, Coaching, Selection, Constitution-

Disputes & Disciplinary and Audit & Risk. Bowls QLD could not operate without their tireless efforts. Also thank you to those who nominated for these committees, but were unsuccessful on this occasion.

Thank you to our Bowls QLD Staff: Stuart Taylor – Finance Manager; Roxanne Bell – Operations Coordinator/Events; Cath Crowe – Operations Administrator and Michelle Baguley – Membership (part time) for their ongoing hard work and dedication. Thank you to Cornerstone Communications Jo Grey and Dee Ayre for producing a quality QLD Bowler magazine and our media.

Our three Bowls Australia Regional Bowls Managers (RBMs) have been busy travelling our State throughout the year, thank you to Micheal Sorrensen in South East QLD, Wade Mutzelburg in Central QLD and Lesley Bates in North QLD for their assistance to clubs, districts and Bowls QLD. Wade resigned during the year and we now welcome David Barnes to the Central QLD RBM position. David is the current Chairperson of the Pomona Bowls Club. BQ wish David all the best in the new role and encourage clubs and districts to utilise the RBMs services.

Thank you to our commercial partners that support Bowls in QLD: Mullins Lawyers, Henselite, BCIB and Aceit. These partnerships have been strong for many years which is great for our sport.

I reiterate my words of recent years as they still hold true: together with the Bowls QLD Board, staff, committees and RBMs, we will be looking to grow our sport into the future. To be successful, the whole bowling community needs to play a part in promoting our game to family and friends and volunteering their time, where possible, to either spread the word, assist your local club or district or help with events.

I look forward to another busy and productive year in the role of CEO working with all stakeholders to administer our sport. Let's all work together to promote and nurture this great game of ours.

*Brett Wilkie*  
CEO

# Director of Finance Report

I have pleasure in once again presenting the financial report, this time for the year 2021.

A surplus of \$125,941 was achieved for the year ending December 31, 2021. This result was a significant turnaround from the previous year when an operating deficit of \$163,852 was made. The 2020 deficit was mainly attributable to the fee relief given due to the Covid 19 pandemic.

For the 2021 year, Bowls Queensland revenue sources were largely in line with budgeted predictions. However, expenses were less than expected mainly due to the cancellation of several bowling events. Events such as the Australian Sides competition, the Qld vs NSW Test series and the State 8-A-Side Championship did not go ahead because of Covid 19 restrictions. The cancellation of these events contributed to a larger than expected surplus.

With regards to the total revenue received from all sources there has been a notable reduction compared to previous years. Total revenue received in 2021 was \$1,718,912 whereas the average over the preceding five years has been \$1,929,055. Some of the reasons for the reduction are reduced income received from sources such as advertising revenue from the bowler magazine, bank interest received from term deposits, affiliation fees, and some sundry income items.

In respect to affiliation fee income this has been in decline for several years. In 2021 this source of income was \$108,115

less than it was in 2016. The decline is a direct result of the reduction in the number of affiliated bowlers. In 2016 there were 31,811 affiliated bowlers whereas for the 2021 year the number was 26,930. The number of bowlers over the age of 70 years represents 55% of this total. The decline in the number of affiliated bowlers and the age profile of bowlers will present financial challenges in future years.

The impact of the gradual reduction in some of BQ's revenue sources has largely been offset by the savings that were identified in the operational review that was carried out in 2015. The organisation has now reached a point where it budgets each year for small surpluses.

BQ is still in a good position to implement all its bowling program without compromising the services it offers to members. Bowls Queensland has a very solid balance sheet and is well placed to meet the challenges that lay ahead.

Special thanks to Stuart Taylor, Finance Manager who has assisted me in this role throughout the year.

Best wishes to all board and committee members and the many volunteers who devote a lot of their time to this sport.

*Greg Flynn*  
Director of Finance

Winners of the 2020 Australian Championships Fours for Queensland (held in May 2021) L-R: Isabella Lawson, Leigh Fortington, Maria Rigby, Ester Regan

## Bowls Queensland Limited

### Director's Report

31 December 2021

The directors present their report, together with the financial statements of the Company, for the financial year ended 31 December 2021.

#### 1. General information

##### Principal activities

The principal activities of the Company during the financial year was the encouragement, conduct, control and management of the sport of bowls in Queensland.

No significant change in the nature of these activities occurred during the year.

##### Short term objectives

The Company's short term objectives are to:

- Provide good management and governance of the sport of bowls.
- Encourage the growth in membership and participation in the sport of bowls in Queensland.

##### Long term objectives

The Company's long term objectives are to:

- To build a sustainable future for the bowls community.
- To widen the appeal of the sport of bowls and increase the awareness of the benefits of being "The Sport for Life".
- To develop plans and strategies to assist the commercial viability of affiliated bowls clubs in Queensland and their associated districts.

##### Strategy for achieving the objectives

To achieve these objectives, the Company has adopted the following strategic plan to assist the company reach its long and short term objectives:

- The Company adopts six pronged approach: involving specific strategies that encourage participation, the maintenance of high performance standards, the organisation of community and competition events, commercial development through marketing, offering strong leadership & governance and encouraging open transparent communication. The Company also establishes and fosters working relationships with a range of community districts, bowls clubs and members. By actively encouraging involvement in the entities activities, the Company will be able to achieve this:
  - Short-term objectives of providing good governance, management and enticing new memberships; and
  - Long-term objectives of building a sustainable future for the sport of bowls and its clubs in Queensland.

## Bowls Queensland Limited

### Director's Report

31 December 2021

#### 1. General information

##### Directors

The names of the directors in office at any time during, or since the end of, the year are:

##### Names

Peter Williamson  
Kerry Green  
Gregory Flynn  
Colleen Ryan  
Carmel Gibb  
Brian Marshall  
Geoffrey Osborne

##### Information on directors

The names of each person who has been a director during the year and to the date of this report are:

<b>Peter Williamson</b>	<b>President</b> (elected AGM 23 March 2016)
<b>Kerry Green</b>	<b>Vice President</b> (elected AGM 23 March 2016)
<b>Gregory Flynn</b>	<b>Board Director</b> (appointed September 2013)
<b>Colleen Ryan</b>	<b>Board Director</b> (appointed 25 April 2015)
<b>Carmel Gibb</b>	<b>Board Director</b> (elected AGM 23 March 2016)
<b>Brian Marshall</b>	<b>Board Director</b> (appointed 22 March 2017)
<b>Geoffrey Osborne</b>	<b>Board Director</b> (appointed 22 March 2017)

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

##### Members' guarantee

Bowls Queensland Limited is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person or association who ceased to be a member in the year prior to the winding up, is limited to \$1 subject to the provisions of the company's constitution.

At 31 December 2021 the collective liability of members was \$ 25,801 (2020: \$ 26,435).

##### Meetings of directors

During the calendar year, 12 meetings of directors were held. Attendances by each director during the year were as follows:

## Bowls Queensland Limited

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2021

The special purpose financial report covers Bowls Queensland Limited ('the Company'). Bowls Queensland Limited is a non-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

Comparatives are consistent with prior years, unless otherwise stated.

#### 1 Summary of Significant Accounting Policies

##### a Basis of Preparation

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users who are dependent upon its general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of *Corporations Act 2001*.

##### b Income Tax

The Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

##### c Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Company and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

##### Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2021

#### 1 Summary of Significant Accounting Policies

##### c Revenue and other income

###### Specific revenue streams

The revenue recognition policies for the principal revenue streams of the Company are:

###### Affiliation fees

The Company earns revenue from provision of services to the clubs. Revenue is recognised over time in the accounting period when services are rendered.

The routine or recurring service contracts where the services provided are substantially the same, the consumption over time and whose consideration consists of a recurring fixed amount over the term of the contract (e.g. monthly or annual payment), in such a way that the customer receives and consumes the benefits of the services as the Company provides them, the revenue recognition model is based on the time elapsed output method.

Under this method, revenue is recognised on a straight line basis over the term of the contract and costs are recognised on an accrual basis

###### Government Grant

Where grant income arises from an agreement which is enforceable and contains sufficiently specific performance obligations then the revenue is recognised when control of each performance obligations is satisfied.

The performance obligations are varied based on the agreement but may include management of education events, presentations at symposiums and specific training courses. Each performance obligation is considered to ensure that the revenue recognition reflects the transfer of control and within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract.

Where control is transferred over time, generally the input methods being either costs or time incurred are deemed to be the most appropriate methods to reflect the transfer of benefit.

###### Interest revenue

Interest is recognised using the effective interest method.

Donations and bequests are recognised as revenue when received.

###### Subscriptions

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

###### Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2021

#### 1 Summary of Significant Accounting Policies

##### d Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

##### e Inventories

Inventories are measured at the lower of cost and net realisable value.

##### f Property, plant and equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Where the cost model is used, the asset is carried at its cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

##### Land and buildings

Land and buildings are measured using the revaluation model.

##### Plant and equipment

Plant and equipment are measured using the cost model.

##### Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	7.5% prime cost - 40% diminishing value
Plant and Equipment	2.5% - 7.5% prime cost

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2021

#### 1 Summary of Significant Accounting Policies

##### g Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

##### Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

##### *Classification*

On initial recognition, the Company classifies its financial assets into the following categories, those measured at:

- amortised cost
- fair value through profit or loss - FVTPL

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

##### *Amortised cost*

Assets measured at amortised cost are financial assets where:

- the business model is to hold assets to collect contractual cash flows; and
- the contractual terms give rise on specified dates to cash flows are solely payments of principal and interest on the principal amount outstanding.

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position.

Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment.

Interest income, foreign exchange gains or losses and impairment are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

All financial assets not classified as measured at amortised cost or fair value through other comprehensive income as described above are measured at FVTPL.

Net gains or losses, including any interest or dividend income are recognised in profit or loss.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2021

#### 1 Summary of Significant Accounting Policies

##### g Financial instruments

###### Financial assets

###### *Impairment of financial assets*

Impairment of financial assets is recognised on an expected credit loss (ECL) basis for the following assets:

- financial assets measured at amortised cost
- debt investments measured at FVOCI

When determining whether the credit risk of a financial assets has increased significant since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis based on the Company's historical experience and informed credit assessment and including forward looking information.

The Company uses the presumption that an asset which is more than 30 days past due has seen a significant increase in credit risk.

The Company uses the presumption that a financial asset is in default when:

- the other party is unlikely to pay its credit obligations to the Company in full, without recourse to the Company to actions such as realising security (if any is held); or
- the financial assets is more than 90 days past due.

Credit losses are measured as the present value of the difference between the cash flows due to the Company in accordance with the contract and the cash flows expected to be received. This is applied using a probability weighted approach.

###### *Trade receivables*

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Company renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

###### *Other financial assets measured at amortised cost*

Impairment of other financial assets measured at amortised cost are determined using the expected credit loss model in AASB 9. On initial recognition of the asset, an estimate of the expected credit losses for the next 12 months is recognised. Where the asset has experienced significant increase in credit risk then the lifetime losses are estimated and recognised.

# Bowls Queensland Limited

## Notes to the Financial Statements

### For the Year Ended 31 December 2021

#### 1 Summary of Significant Accounting Policies

##### g Financial instruments

###### Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method.

The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

##### h Impairment of assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for tangible and intangible assets. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, is compared to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit and loss.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where it is not possible to estimate the recoverable amount of a class of asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where an impairment loss on a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

##### i Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the statement of financial position.

##### j Leases

At inception of a contract, the Company assesses whether a lease exists - i.e. does the contract convey the right to control the use of an identified asset for a period of time in exchange for consideration.

This involves an assessment of whether:

- The contract involves the use of an identified asset - this may be explicitly or implicitly identified within the agreement. If the supplier has a substantive substitution right then there is no identified asset.
- The Company has the right to obtain substantially all of the economic benefits from the use of the asset throughout the period of use.
- The Company has the right to direct the use of the asset i.e. decision making rights in relation to changing how and for what purpose the asset is used.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2021

#### 1 Summary of Significant Accounting Policies

##### j Leases

###### Lessee accounting

The non-lease components included in the lease agreement have been separated and are recognised as an expense as incurred.

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Company's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Company's assessment of lease term.

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

###### *Exceptions to lease accounting*

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

##### k Employee benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the statement of financial position if the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119.

## Bowls Queensland Limited

### Notes to the Financial Statements

For the Year Ended 31 December 2021

#### 1 Summary of Significant Accounting Policies

##### l Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 31 December 2021, the adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the Company.

##### m Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

##### Key estimates - Impairment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

##### Key estimates - property held at fair value

An independent valuation of the Enoggera property (land and buildings) carried at fair value was obtained as at 26 August 2020. The directors have reviewed and adopted this valuation prepared by Hymans Valuers and Auctioneers for the financial year ended 31 December 2020. The market value was determined using direct comparison with the available sales evidence within the surrounding locality.

##### Key estimates - Provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

##### Coorparoo Club House

On the 22 September 2009, the company acquired the assets and liabilities of the Coorparoo Bowls Club for the nominal consideration on \$1. At that time, the company commissioned Early Group Valuers to undertake a valuation of the property in order to reflect the value in the books of the company. That valuation estimated the property to be worth \$3 million.

As a result, the company recorded a revenue gain of \$3 million in the 2009 financial year. This is reflected in the retained earnings of the company.

In accordance with the Australian Accounting Standard, the company has commissioned a valuation by Trivett Property Group as at 15 February 2019. That valuation has estimated the property to be worth \$1.9 million. This valuation was based on the property remaining a bowls club and does not reflect the possible value should the property be rezoned for either commercial or residential development.

#### 16 Events Occurring After the Reporting Date

On 11 March 2020, the World Health Organisation ("WHO") declared a pandemic in respect of increasing cases of Coronavirus being recorded on a global basis. Since the WHO declaration, The Australian Commonwealth and State governments have been implementing various policy measures to respond to the pandemic, including quarantine measures and economic stimulus packages. Arrangements for quarantine and economic stimulus continue to evolve at the reporting date and can be expected to change during the course of the next year. At this time, the Company is unable to determine the extent of the future impact of the pandemic.

Except for the above, no other matters or circumstances have arisen since the end of the financial year which significantly affected or could significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in future financial years.

## Bowls Queensland Limited

# Independent Audit Report to the members of Bowls Queensland Limited

## Report on the Audit of the Financial Report

### Opinion

We have audited the accompanying financial report, being a special purpose financial report of Bowls Queensland Limited (the Company), which comprises the statement of financial position as at 31 December 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company for the year ended 31 December 2021 is prepared, in all material respects, in accordance with Australian Accounting Standards.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter - Basis of Accounting

We draw attention to Note of the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

## **Bowls Queensland Limited**

### **Independent Audit Report to the members of Bowls Queensland Limited**

#### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the management with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Bowls Queensland Limited****Independent Audit Report to the members of Bowls Queensland Limited**

From the matters communicated with the management, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Umpire Committee's Report

Bowls Australia (BA) is in the process of formulating a means for P & As to be reaccredited. Once this has been fully developed, approved and implemented, this procedure will be adopted in Queensland. A similar process will be developed for accrediting P & As.

A few districts have asked for courses to be held for umpires, measurers and markers. Should a district with no P & A want a course to be held, please make a formal request through BQ. Once the request has been made, depending on numbers, arrangements can then be made for a P & A from BQ to attend.

As you have been advised in the past, World Bowls meets when the Commonwealth Games are held and formally adopts any agreed upon changes to the laws. Australia submitted several items for consideration; some were adopted and others rejected. The umpire committee has been advised on the changes and the majority are cosmetic changes. Once the new law book has been received, if there is no information sheet

provided, we will review the changes and forward the interpretations to all districts. This can then be provided to all umpires in the relevant district.

BA will review the DRs and advise of any recommended changes. As soon as we hear something official we will advise the relevant officials of these changes.

We have received some queries from accrediting umpire and reaccrediting umpires about the non-arrival of the umpire cards. In the early stages of each month, BQ provides a list of names of the umpires to BA. It is then up to BA to print the cards and return same to BQ for disbursement to the relevant officials. Unfortunately, this can take a number of weeks, if not months, so please be patient and the cards should arrive sometime soon.

Recently we have received a few queries relating to bowlers with a disability. Please remember that the game is inclusive and every endeavour should be made to work with these players. If you have any queries, please contact us and we will advise of the recommended action required.

# Constitution, Disputes and Discipline Committee's Report

This year has been rather quiet because of restrictions placed on clubs due to the pandemic. Hopefully things will improve in the new year.

The committee recommends that clubs and districts review their constitutions, by-laws and other relative documents to cover the circumstances that have arisen due to restrictions placed on members. In particular, privacy policies and other documents such as those covering vaccination requirements.

My thanks to committee members Pam and Brian (both of whom have experienced health problems during the year) for their valued assistance and loyalty to the sport. Also a special thank you to President Peter, BQ Board and staff for their assistance.

The workload in 2021 was exceptional, resulting in many more members electing to attend coaching activities.

It was undoubtedly the busiest year for coaching activities over the last ten years of my time at Bowls Queensland. Hopefully, the interest will continue into the future. Coach workshops for accredited coaches have been included and were greatly appreciated and well received by all those coaches who attended. The State Coaching Committee is encouraging districts to apply for a workshop in 2022 for its coaches, as the knowledge gained and the benefit and rewards will greatly enhance their coaching ability, thus improving their status within their club. It is so great to see so many members interested in becoming a coach because coaches are an integral component of any successful club. Generally, the coach is the first person a new bowler comes into contact with and the coach's influence will have a huge bearing on the bowler's future involvement in our wonderful game.

The table opposite (page 39) demonstrates the number of districts and clubs visited in the reporting year and I expect the interest to continue in 2022. The table indicates how popular the skills programs are and it also shows the large number of requests for bowling arm seminars. The State Coaching Committee have included a section on the bowling arm into the Club Coach Course and students have benefitted from its inclusion. All accredited coaches must, in their own time, learn how to coach bowlers in using a bowling arm. The demand for bowling arms has increased due to an aging population as well as the Bowls Australia ruling that a medical certificate is no longer required. There was a large increase in Club Coach accreditation plus nearly 75 coaches were also reaccredited, more than in previous years.

The State Coaching Committee would be unable to perform any of their roles if it was not for the tremendous support and encouragement given by the Board

of Management and the staff of Bowls Queensland. As the co-ordinator, I thank all of them very much with special thanks to Cath, Roxanne and Stu who look after all our admin requirements and to Brett and President Peter with whom I speak on many occasions about bowling issues.

In closing, it would be remiss of me not to mention our liaison officer to the Board Carmel Gibb (Gibby) who attends all our meetings and relates all coaching issues on our behalf to the board, thanks for all your help and advice during the year, to the editor of the Bowler Jo, terrific, and finally the State Coach Committee members. They are a great group to co-ordinate and I sincerely thank them all for their support, loyalty and assistance. As a united group, we are looking forward to providing our coaching services to members throughout Queensland in 2022.

# Match Committee's Report

This past year has been very difficult for all of us, including the bowling community.

However, we managed to get through all our events without too much fuss, although a storm towards the end of the State Championships gave us more than a few nervous moments.

The bowls year started as usual with the Junior State Championships held at North Toowoomba and Toowoomba Bowls Clubs in the Downs District. These two clubs ran everything smoothly and all players and officials were impressed with the organisation and running of the event. We will be back at these two clubs again in 2022, along with Club Toowoomba, and we are sure that the championships will be up to the existing high standards already set.

The District Sides was held in the Gateway District with the men's districts at Cleveland and Logan City and the ladies districts at Belmont, Wynnum and Manly Bowls Clubs. Those clubs looked after all our districts admirably; we were happy with the way they ran the event and we thank them for their assistance. The 2022 District Sides will be held in the Gold Coast Tweed District and I'm sure that the hosting clubs will do an excellent job. I'd also like to welcome Paradise Point as this will be their first time hosting this event.

The State Championships was also held in the Gateway District and, like previous years, we held all our finals at one club. The players were happy with this arrangement and we will continue this again in 2022. Thank you to the host clubs that went out of their way to assist us and a special thanks to all the volunteers as we could not run our events without you. The Mixed Pairs was very well supported again as part of our State Championships and the numbers were up on the previous year. The Mixed Pairs is now added to the Australian Championships event and we hope that this recognition will continue to increase our numbers for this event.

The Multi Disability Championships was held at Souths Suburban and Mackay City Bowls Clubs in the Mackay

District and I must congratulate all players on their sportsmanship, their courtesy to each other and their will to succeed at their sport. Congratulations to all involved.

The Indoor Qualifying events were played at Paradise Point and Tweed Heads. We thank those clubs for hosting the events and congratulate the men's and women's qualifiers.

The Champion of Club Champions was held at Souths Suburban Club in the Mackay District and it was hosted with all the expertise that we would expect from this club.

The District Mixed Pairs was held on the Sunshine Coast at Coolum Beach Bowls Club and a high standard of play and hosting by the club was achieved.

Our final event of the year was the State Pennant Finals with the men at Broadbeach Bowls Club and the women at Mermaid Beach Bowls Club. Both these clubs excelled in hosting our event. The finals were a joy to watch and were played in a great spirit and showcased our sport admirably. Congratulations to all the players on a great spectacle.

Congratulations also to all the players in our State events, without you all we wouldn't have any events at all. I hope that you enjoyed yourselves and we will see you all again in 2022, hopefully without a lot of the dramas we had to endure in 2021.

Finally we wish to thank everyone for their support throughout the year, our families, our committees and all at Bowls Queensland. Also we wish to thank all the clubs who hosted our events and who always went out of their way to make us very welcome.

Special thanks to my committee for their support and work over the year. Special thanks to Helen for the first half of the year, Linda, Denis, Jim and John for the full year and Linda Mitchell for the second half of the year.

# Selection Committee's Report

This year, despite all interstate tests and the Nationals being cancelled due to Covid -19, Bowls Queensland was able to hold all major selection events in 2021.

Selectors attended all these major events as well as a number of major tournaments, quad series, the junior training camp and State selection trials, including:

- State Junior Championships, Toowoomba, January
- U18 Squad two-day training camp, Broadbeach, April
- State selection trials, Broadbeach, April
- State District Sides, Gateway district clubs, April-May
- State Championships, Gateway district clubs, May
- Dunn Cup, Ingham, June
- SEQ O60s Men's Quad series, Wynnum, June
- Ladies Northern Challenge (TFNQ, NQ, Mackay districts), Townsville, July
- SEQ Men's Quad series, Corinda, October
- Champion of Club Champions, Mackay, October
- North vs South Challenge, Mossman, October
- State Pennant Finals, Mermaid Beach and Broadbeach, November

Selectors also watched many livestreamed games and I would like to congratulate Brian Marshall and the GCTDBA Media Team for the quality of their broadcasts and their commitment to our sport.

Unfortunately, the cancellation of the U18 Test Series along with the previous year's U18 Test Series against NSW, meant that some of our up-and-coming young players were unable to represent their State at junior level at all. However, all U18 squad members benefitted greatly from the two-day training camp held earlier

in the year, which was conducted by BQ Selection Co-ordinator Christina Pavlov, BQ Coaching Co-ordinator Alan Thorp and BA Pathways Coach Lynsey Clarke.

The State selection trials held in April saw 48 men and women vying for selection to the Open, 40-59 and U25 state sides. Selection to a State side is a multi-phased process with performance at this trial, as well as performance at key State events and major tournaments, taken into consideration.

Selectors attended the State District Sides and State Championships and with five venues being used, selectors rotated to different venues throughout the championships to cover both men and ladies' events. As expected, the standard of play was very high with some outstanding individual and team performances. Following the championships, Open, 40-59, and U25 sides were selected for the test series against NSW in July and I'm sure all selected players, particularly those on debut, were disappointed that this series was cancelled.

The benefit of selectors watching events that draw players from across all districts in the State, such as District Sides, State Championships, Champion of Champions and State Pennant Finals has been reflected in the opportunities being offered to some of these players, particularly in attending State trials and selection in teams for the North v South Challenge.

It is pleasing that players are now using the Expression of Interest for State Selection forms available to download from the BQ website. Players who would like to be considered for State selection can fill in one of these forms and return them to BQ, making sure that all selection criteria has been addressed.

Finally, I would like to thank the Bowls Queensland staff for all their assistance, the BQ board and Kerry Green for their insight and direction, and the selection committee Ron, Brad, Gary and Wendy for their hard work and commitment throughout the year.

# Junior State Championships

January 17-22

Held at North Toowoomba & Toowoomba Bowls Clubs

## Girls

### U/18 Singles

- Gold: Olivia Rothwell (Enoggera)
- Silver: Ashlee Knight (Mackay City)
- Bronze: Caysee Wilson (Kawana)

### U/15 Singles

- Gold: Holly Anderson (Cunnamulla)
- Silver: Stella Palmer (Roma)
- Bronze: Dekota Brindle (Darra Cementco)

## Boys

### U/18 Singles

- Gold: Ty Jesberg (Longreach)
- Silver: Jake Rynne (North Toowoomba)
- Bronze: Kane Nelson (Belmont Services)

### U/15 Singles

- Gold: Todd Brain (Cunnamulla)
- Silver: Samuel Collier (Tweed Heads)
- Bronze: Zedd Peters (Burnett)

## Open

### U/18 Pairs

- Gold: Jake Rynne (North Toowoomba), Kane Nelson (Belmont Services)
- Silver: Olivia Rothwell (Enoggera), Caysee Wilson (Kawana)
- Bronze: Shane Rideout (Monto), Ty Jesberg (Longreach)

### U/15 Combined Pairs

- Gold: Riley Bernard (The Albert), Travis Pearce (The Albert)
- Silver: Marley Peters (Burnett), Zedd Peters (Burnett)
- Bronze: Caleb Thorpe (Cunnamulla), Jacob Russell (Cunnamulla)

### Open Triples

- Gold: Ty Jesberg (Longreach), Kane Nelson (Belmont Services), Jake Rynne (North Toowoomba)
- Silver: Travis Pearce (The Albert), Riley Bernard (The Albert), Cody Bernard (The Albert)
- Bronze: Olivia Rothwell (Enoggera), Caysee Wilson (Kawana), Shane Rideout (Monto)

### Open Fours

- Gold: Caysee Wilson (Kawana), Ty Jesberg (Longreach), Kane Nelson (Belmont Services), Jake Rynne (North Toowoomba)
- Silver: Ashlee Knight (Mackay City), Chloe Runge (Glasshouse), Caleb Bowles (Swifts), John Hammond (Roma)
- Bronze: (equal third) Stella Palmer (Roma), Dekota Brindle (Darra Cementco), Zayah Morgan (Algerster), Shane Rideout (Monto) & Christian McLellan (Burnett), Zedd Peters (Burnett), Marley Peters (Burnett), Mia Haylock (Roma)

U18 Girls Singles: Ashlee Knight, Olivia Rothwell, Caysee Wilson

U18 Boys Singles: Jake Rynne, Ty Jesberg, Kane Nelson

**U15 Boys Singles: Zedd Peters, Todd Brain, Samuel Collier**

**Open Triples: Kane Nelson, Jake Rynne, Ty Jesberg**

**U15 Pairs: Riley Bernard, Travis Pearce, Jacob Russell, Marley Peters, Zedd Peters, Caleb Thorpe**

**U15 Girls Singles: Dekota Brindle, Holly Anderson, Stella Palmer**

# Queensland Secondary Schools Cup

October 13-14

Held at Pine Rivers Memorial Bowls Club

## Winners

**Winner:** James Nash State High School (Gympie) – Tilah Mason & Cody Bernard

**Runner-up:** Beerwah State High School – Zacharie Flood & Jack Chirgwin

### Finalists:

James Nash State High School – Tilah Mason & Cody Bernard

Beerwah State High School – Zacharie Flood & Jack Chirgwin

Xavier HS & St James HS (Hervey Bay) – Bryce Jarrett & Brody Carter

Kirwin HS & Ignatius HS (Townsville) – Lindsay Kirk & Jack Hayward

Atherton State High School – Harry Lawrence & Adam Keevers

Nerang State High School – Ryan Kiepe & Sophie Kiepe

Mt Larcom High School – Kaleb Shields & William Masters

St Catherine's (Proserpine) – Toby Craig & Harry Craig

SERL College (Helensvale) – Leteah O'Donnell & Sophie Allan

Glasshouse Christian College – Hayden Flood & Riley Paterson

Highfields College (Toowoomba) – Connor McDougall & Finn Adam

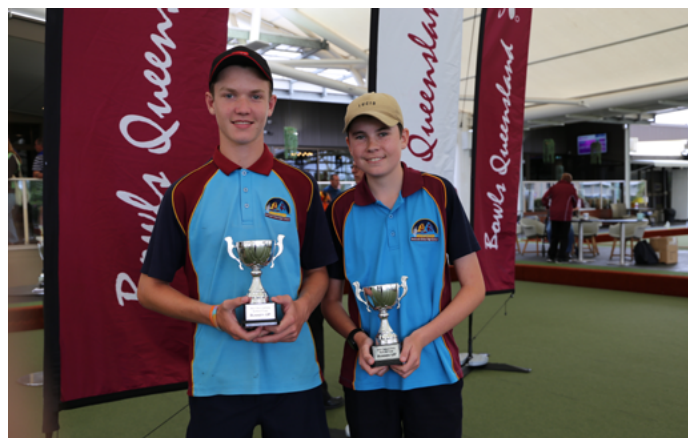

Millmerran State High School – Agustin Lehuède & Travis Gibbs

Mackay Christian College – Jamie Miller & Divan Smith

Cavendish State High School – Blake King & Brendan Ford

Winner: James Nash State High School – Tilah Mason & Cody Bernard

Runner-up: Beerwah State High School – Zacharie Flood & Jack Chirgwin

A full-body portrait of Alex Marshall, a bald man with a friendly expression, wearing a dark navy blue polo shirt. He is holding a multi-colored speckled bowling ball with both hands in front of his chest. The ball has a circular logo with a stylized figure and the word "Henselite" below it. On his left wrist, he wears a black watch. On his right sleeve, there is a small yellow and green logo. The background is a solid dark grey-blue.

**I am delighted to be back with the  
iconic Henselite brand and really  
looking forward to putting my hands  
on these Henselite bowls once again"**
