Re: Champion of Club Champions

Ref: 24/009

At the Bowls Queensland Council meeting last week, a Club was discussed regarding: a Club starting the Champion of Club Champions earlier than the 1st of November as is stated in the Conditions of Play.

The 1st of November is the designated commencement date to ensure that the State Finals are completed, and no player would be disadvantaged by their club starting before the due date.

Should a club wish to commence their Championships before that date; authority must be given by Bowls Queensland. To do so the clubs request will require a very good reason for permission to be allowed.

Kind Regards
