WELCOME

On behalf of the Bowls Queensland Board, Staff and Match Committee, we warmly welcome all competitors, officials and supporters to the 2025 State Champion of Champion Finals. Representing your Club and District at this level is a significant achievement, and we congratulate each player who has earned their place in these finals.

We extend our sincere thanks to North Mackay Bowls Club's, as well as Gooseponds Sport & Recreation Club's Management, Members, Staff and Volunteers for their ongoing commitment and hospitality in hosting this event. Your efforts and generosity play an important role in making the event a success.

Bowls Queensland also gratefully acknowledges the support of this year's sponsors, Gooseponds Sport & Recreation Club, Dalrymple Bay Coal Terminal (Daly Bay) and BioScapes, whose contributions help make it possible to stage these events and showcase our sport in regional Queensland.

We also recognise the continued assistance of the Queensland Government through Sport and Recreation.

We wish all players the very best of luck and good bowling.

Brian Marshall,
President, Bowls Queensland

On behalf of the Board of Management, Lady's President Hilary, Men's President Alan, and our members, I warmly welcome all players and supporters to the North Mackay Bowls Club – proudly known as Goosies.

It is an honour to host a Bowls Queensland event after many years, and we congratulate all who have reached the 2025 Champion of Club Champions finals. To welcome both metropolitan and state zone champions is a true privilege.

Over the next five days, we look forward to top-class competition in the Fours, Pairs, and Singles, culminating in Thursday's Singles finals. Our greens and facilities are presented with pride, and ongoing upgrades reflect our commitment to being one of the best venues in regional Queensland.

A special thanks to our volunteers, umpires, and markers whose efforts make this event possible. Please enjoy our hospitality and the many attractions Mackay has to offer, with our General Manager Michael and his team ready to assist.

Welcome once again, and best wishes for a successful and enjoyable event.

Neil Blucher
Chairperson, Goosies Sport & Recreation Club
T/a North Mackay Bowls Club inc.

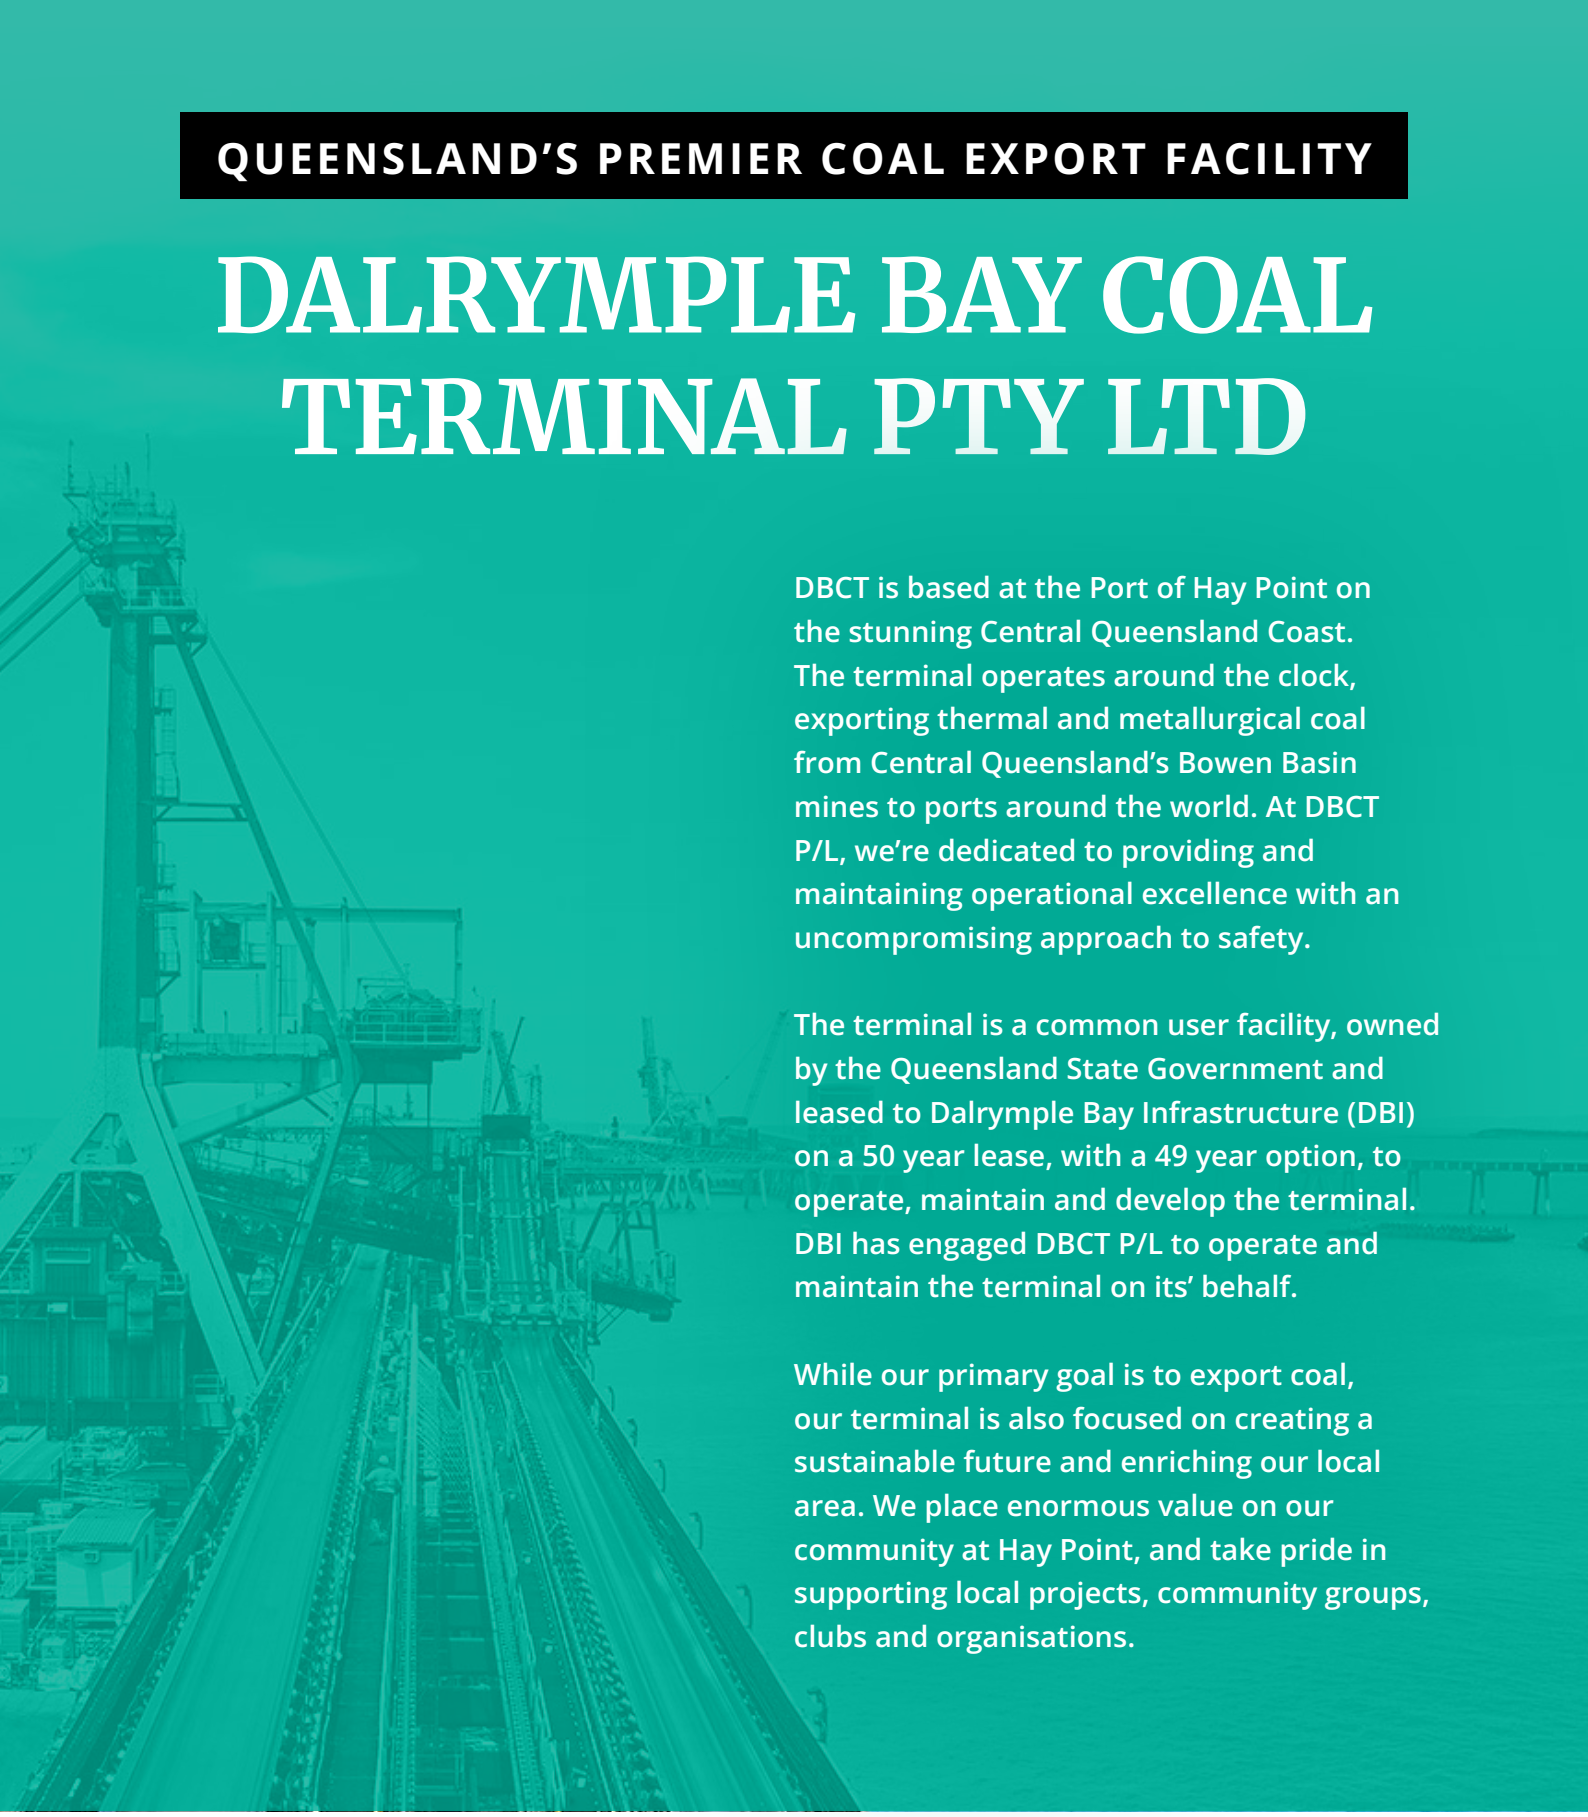
QUEENSLAND'S PREMIER COAL EXPORT FACILITY

DALRYMPLE BAY COAL TERMINAL PTY LTD



DBCT is based at the Port of Hay Point on the stunning Central Queensland Coast. The terminal operates around the clock, exporting thermal and metallurgical coal from Central Queensland's Bowen Basin mines to ports around the world. At DBCT P/L, we're dedicated to providing and maintaining operational excellence with an uncompromising approach to safety.

The terminal is a common user facility, owned by the Queensland State Government and leased to Dalrymple Bay Infrastructure (DBI) on a 50 year lease, with a 49 year option, to operate, maintain and develop the terminal. DBI has engaged DBCT P/L to operate and maintain the terminal on its' behalf.

While our primary goal is to export coal, our terminal is also focused on creating a sustainable future and enriching our local area. We place enormous value on our community at Hay Point, and take pride in supporting local projects, community groups, clubs and organisations.

DALRYMPLE BAY COAL TERMINAL PTY LTD
