WELCOME

On behalf of Bowls Queensland, I extend a warm welcome to all players, officials, volunteers and supporters taking part in this year's Championships. With more than 1,700 competitors contesting 11 disciplines across two weeks of competition, this event once again highlights the incredible depth of talent within our sport.

The State Championships are among the most prestigious events on the Queensland bowls calendar and provide an opportunity for players from all corners of the state to compete against the very best. For many, this event also represents the next step towards national representation at the Australian Championships later this year.

We are proud to partner with Experience Gold Coast as major event sponsor and thank them for their continued support of bowls in Queensland. I also acknowledge all host clubs, volunteers and officials whose efforts help deliver an event of this scale.

I wish all competitors the very best for the Championships and encourage everyone to enjoy the experience both on and off the greens.

Brian Marshall
President, Bowls Queensland

Dream big and deliver: that's our motto and when it comes to lawn bowls, we chase the biggest and best carnivals on offer.

Hosting the Queensland State Championships underscores our commitment to promoting this sport locally, and nationally. I'm delighted to see the 2026 carnival will allow players to compete for state titles in singles, pairs, over-60s pairs, mixed pairs, triples and fours.

This carnival comes on the back of the State District Championships with many visiting players staying on for the state titles. A special welcome to you all.

It is pleasing to see the 2026 championships spread across Helensvale, Musgrave, Broadbeach, Robina, Paradise Point and Mermaid.

As Mayor, I thank Bowls Queensland for showing faith in our city to deliver – we won't let you down. Capturing a state crown puts bowlers in the elite company of some of Australia's greatest athletes.

When the action is over, please take time to explore the magical Gold Coast. You'll find a city famous for its enviable lifestyle, pristine beaches, lush hinterland, picturesque waterways and vibrant dining and entertainment scenes. I encourage all visitors to explore everything our city has to offer.

To competitors, officials, supporters, and sponsors, we extend our warmest welcome. May your bowls find their mark and your time on the Gold Coast be unforgettable. Let the action begin!

Tom Tate
Mayor, City of Gold Coast
