WELCOME

On behalf of the Bowls Queensland Board, Staff and Match Committee, we warmly welcome all competitors, officials and supporters to the 2026 State Champion of Club Champions Finals. Representing your Club and District at this level is a significant achievement, and we congratulate each player who has earned their place in these finals.

We extend our sincere thanks to North Mackay Bowls Club's, as well as Gooseponds Sport & Recreation Club's Management, Members, Staff and Volunteers for their ongoing commitment and hospitality in hosting this event. Your efforts and generosity play an important role in making the event a success.

Bowls Queensland also gratefully acknowledges the support of this year's sponsors, Mackay Regional Council and Gooseponds Sport & Recreation Club, whose contributions help make it possible to stage these events and showcase our sport in regional Queensland.

We also recognise the continued assistance of the Queensland Government through Sport and Recreation.

We wish all players the very best of luck and good bowling.

Brian Marshall
President, Bowls Queensland

Welcome to Mackay for the 2026 Bowls Queensland State Champion of Club Champions.

It is a privilege to host this prestigious event and to welcome the state's finest club bowlers to our region.

Across Queensland, thousands of people play bowls every week, but only the very best earn the opportunity to compete at this level. Every competitor here has won the right to represent their club and community, and that achievement alone deserves recognition.

What makes bowls special is that it is a sport built on skill, patience, strategy and respect. It is fiercely competitive on the green, but equally renowned for the friendships and camaraderie it creates off it. Those values are on full display at championships such as this.

Mackay is proud to be recognised as a destination for major sporting events. We know the value these events bring, not only through the visitors they attract but through the way they connect communities and showcase the best of regional Queensland.

We acknowledge Bowls Queensland, North Mackay Bowls Club, the officials, volunteers and organisers whose hard work makes an event of this scale possible. Successful championships do not happen by accident. They happen because dedicated people give their time, energy and passion to the sport they love.

While you are here we hope you get to experience everything our region has to offer. In December Mackay welcomes Disney: The Exhibition - A Century of Magic so there is a great reason for you to return.

On behalf of the Mackay community, welcome, good luck and enjoy the competition.

Mayor Greg Williamson
Mayor, Mackay Regional Council
